Alsace-Lorraine Since 1870 Barry Cerf, 2012-12-21 This fascinating book originally published in 1919 as the First World War drew to a close tackles the question of Alsace Lorraine one of the chief causes of the war and the most important obstacles to peace Cerf addressed the book to Americans in order to present facts which would confirm the belief that peace can be restored to Europe and the world only after the return of the lost provinces to France A compelling read that is thoroughly recommended for inclusion on the bookshelf of the amateur and professional historian alike Contents Germany s Claims to Alsace Lorraine The Consent of the Governed Persecution 1871 1914 The Question of Autonomy The Failure of Germanization During the War The Economic Question The Question of a Plebiscite Conclusion Bibliography Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

The True Story of Alsace-Lorraine (Classic Reprint) Ernest Alfred Vizetelly, 2015-07-08 Excerpt from The True Story of Alsace Lorraine The idea of writing this book occurred to me when I found both by conversing with friends and acquaintances and by listening at odd moments to remarks passed by men in the street how very little is known about Alsace Lorraine in Great Britain The general ignorance appeared to me to be the more regrettable as my acquaintance with all the more important German utterances and writings on this subject since 1871 convinced me already at the outset of the Great War that whatever conditions the Allies might resolve to exact of Germany the one which more than any other she would resist to her utmost would be the restitution of Alsace Lorraine to France Nevertheless it was absurd for Baron von Kuhlmann to assert as he did shortly after his appointment as German Minister for Foreign Affairs that the sole obstacle to peace was the question of Alsace Lorraine As our Foreign Secretary Mr Balfour replied virtually repeating the utterances of our successive Prime Ministers Mr Asquith and Mr Lloyd George we undoubtedly desire to see Alsace Lorraine restored to France but it is ridiculous to imagine that this one question stands out solitary preeminent unconnected with any other of the objects of the war We are fighting as Mr Balfour said in order in the first place that Europe may be freed from the perpetual menace of the military party in Germany and assuredly if that object is to be attained questions affecting quite a number of countries will require solution About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic
