Counselling Guide for Altar Workers Church of God of Prophecy, **Prayer Counselor** Devay Myatt,2009-12 Order is more important than intentions Even in the face of the greatest intentions chaos will impede any progress The Prayer Counselor is essential in providing appropriate guidance to God s people towards restoration at his altars I am a Surgeon by trade The operating suite must be orchestrated appropriately for the patient to have an expected outcome The patients have already demonstrated submission by allowing themselves to be wheeled into the operating room After submission there must be precise execution by all members of the operating team The altar visitors have submitted themselves to an even greater degree by their public display of approaching the altar As a surgeon I accept the lead role in the surgical suite but everyone involved in the care of the patient must be in the right place at the right time for the patient to have the expected outcome While at the altar the leader of the altar call must be allowed to flow in the perfect will of God without being distracted by tasks that should be delegated to others The Prayer Counselor will assist the Men and Women of God in providing the appropriate atmosphere that will bring God s people into his perfect will Dr Roderick Claybrooks Devay Myatt Ministries P O Box 702426 Plymouth Michigan 48170 Phone 313 770 7143 Fax 313 934 3838 **Using Textile Arts and Handcrafts in**

Ronald Morse,2020-10-29 There is a crisis in the world today and that is the crisis of addiction It is not new nor even extraordinary but common and universal in the history of mankind The world is always looking for answers for reasons and solutions to all of our problems There is a new remedy out there for everything it seems and they all claim to have the sure thing The problem is that too many of them don't work at all and too many more simply miss the mark They don't really understand what the root of the problem is and therefore cannot find the solution This is evident in the war on addiction what it is and whom it affects Where can we find the truth of what it is and its root cause and how to defeat it The Bible is the most amazing book in the history of the world It not only tells us what our problem is but also how it came to be what its consequences are and even how it can be corrected The answers are all there if we are careful to look This work is a biblical understanding of addictive behaviors and how in just a few steps we can identify them and overcome them God loves you and wants you to be free and for your life and family to be restored He came to this fallen world in the person of Jesus Christ to make us clean and free **The War Manual** C.
