Konrad Eisenbichler, 2019-01-01 Scholarship on Italian emigration has generally omitted the Julian Dalmatians a group of Italians from Istria and Dalmatia two regions that in the wake of World War Two were ceded by Italy to Yugoslavia as part of its war reparations to that country Though Italians by language culture and traditions it seems that this group has been conveniently excised from history And yet Julian Dalmatians constitute an important element in twentieth century Italian

history and represent a unique aspect of both Italian culture and emigration This ground breaking collection of articles from an international team of scholars opens the discussion on these forgotten Italians by briefly reviewing the history of their diaspora and then by examining the literary and artistic works they produced as immigrants to Canada Forgotten Italians offers new insights into such celebrated authors as Diego Bastianutti Mario Duliani Caterina Edwards and Gianni Angelo Grohovaz as well as visual artists such as Vittorio Fiorucci and Silvia Pecota Profoundly marked by the experience of being uprooted and forced into exile by life in refugee camps and by the encounter with a new culture first generation Julian Dalmatians in Canada used art and writing to come to terms with their anguished situation and to rediscover their cultural roots
