And Thereby Hangs A Tale English Edition:

Thereby Hangs a Tale - Stories of Curious Word Origins Charles Earle Funk, 2011-12-09 THIS book is the outcome of a collection of material that has been slowly accumulating over the past thirty years or so since the time when under the guidance of the late Dr Frank H Vizetelly I began to work as his associate in the editorial department of the Funk it may have come from a tale in some older language for the languages that we consider ancient were themselves based upon still more ancient sources but that story if any cannot now be determined Thus what we know about the origins of the great majority of the words in our present language can be found in an unabridged dictionary or in a work dealing with etymologies such as that compiled by W W Skeat about seventy years ago or the one more recently prepared by Ernest Weekley ,
