**Cancer's Gifts with Love & Hope** Robert V. Heffernan,2013-05-17

Imagine being diagnosed with a disease as seemingly minor as melanoma that quickly progresses to stage four cancer where the chances of survival drop to less than 10% in five years And the options are only surgery a handful of tough FDA approved treatments and a risky experimental therapy hundreds of miles from home Usually we think of cancer as an ugly terrifying disease But Bob Heffernan s amazing journey against all odds tells an uplifting story of perseverance hope and positivity that will inspire all cancer patients He found that alongside fear and suffering cancer provides numerous gifts that nourish the human soul Its a story about how we can find goodness and beauty in even the most terrible challenge life throws at us cancer *Hospital Angel* Jess Levins,2022-08-23 Doctor Angel Carpenter is a doctor but is he an Angel Angel is the former leader of the gang called the Angels He is deeply religious and tries to do the right thing but the right thing is not always legal Some claim he is an actual angel since his terminal cancer patients refuse to die while others feel he should be behind bars Angel developed a holistic method to increase the cure rate for a cancer drug that could save millions of lives but he is arrested as a serial killer since his fingerprints are on the murder weapon He keeps telling people he is not an angel but the crowd surrounding the hospital and his apartment does not believe him An anti religious organization wants him dead and this organization may be more difficult to treat than the cancer affecting his patients They initially offered a million euros for his death and then increased it to five million Assassins converge on Miami for an easy kill and a huge reward They failed to realize one of the female cancer survivors is a member of a mafia family She is indebted to Angel and she pays her debts

Pilgrim Prayers for People Living with Cancer Sue Northey,2010-01-01 Northey a cancer survivor has written stories that reflect the lives of people who are living with cancer She shares her own story and writes about other cancer survivors she has met during her years of treatment and attending survival meetings The 33 stories which offer a human side to living with cancer will give insight to those battling cancer and those who care for them The thought provoking and moving stories that end with scripture and prayer will provide readers with the reassurance of God s grace mercy and omnipresence during difficult times
