Early Christian and Jewish Monotheism Loren T. Stuckenbruck, Wendy E. Sproston North, 2004-05-27 Early Christology must focus not simply on historical but also on theological ideas found in contemporary Jewish thought and practice In this book a range of distinguished contributors considers the context and formation of early Jewish and Christian devotion to God alone the emergence of monotheism The idea of monotheism is critically examined from various perspectives including the history of ideas Graeco Roman religions early Jewish mediator figures scripture exegesis and the history of its use as a theological category The studies explore different ways of conceiving of early Christian monotheism today asking whether monotheism is a conceptually useful category whether it may be applied cautiously and with qualifications or whether it is to be questioned in favor of different approaches to understanding the origins of Jewish and Christian beliefs and worship This is volume 1 in the Early Christianity in Context series and volume 263 in the Journal for the Study of the New Testament Supplement Series

Milton's Angels Joad Raymond, 2010-02-25 Milton's Paradise Lost the most eloquent most intellectually daring most learned and most sublime poem in the English language is a poem about angels It is told by and of angels it relies upon their conflicts communications and miscommunications They are the creatures of Milton's narrative through which he sets the Fall of humankind against a cosmic background Milton's angels are real beings and the stories he tells about them rely on his understanding of what they were and how they acted While he was unique in the sublimity of his imaginative rendering of angels he was not alone in writing about them Several early modern English poets wrote epics that explore the actions of and grounds of knowledge about angels Angels were intimately linked to theories of representation and theology could be a creative force Natural philosophers and theologians too found it interesting or necessary to explore angel doctrine Angels did not disappear in Reformation theology though centuries of Catholic traditions were stripped away Protestants used them in inventive ways adapting tradition to new doctrines and to shifting perceptions of the world Angels continued to inhabit all kinds of writing and shape the experience and understanding of the world Milton's Angels The Early Modern Imagination explores the fate of angels in Reformation Britain and shows how and why Paradise Lost is a poem about angels that is both shockingly literal and sublimely imaginative

provocateur Amidst the backdrop of a quaint little village and a wicked city filled with crime you will meet quirky characters and devil may care hoodlums as they run whiskey on the Detroit River This is a page turning drama crammed thick with deception and unpredictability A haunting tale about the incredible secrets kept between two sisters for a lifetime Angels of Warwick is based on family folklore spanning sixty years as Irish and Italian immigrants fall in love and carve out lives in the rough and tumble New World America **The Imperfect Angel and Other Sermons** Thomas Gunn Selby,1890 **Christ all and in all, etc. The editors' preface to the reader signed: Simeon Ashe, Edm. Calamy, William Taylor** Ralph ROBINSON (Puritan Divine.),1868 *The bell ringer of angel's* Bret Harte,1894 **Angels in America at the British National Theatre** Emily Garside,2022-10-28 Angels in America was one of the most significant pieces of American theatre in the 20th Century Much has been written on Tony Kushner s epic drama However the National Theatre of Great Britain s productions of the show are relatively under discussed Not only was the National Theatre responsible for helping to originate the play in the early 1990s but it helped revitalize interest in 2018 with Marianne Elliott s reimaged version starring Andrew Garfield and Nathan Lane This book considers the role of the National in the play s history and how Elliott s production reframed the play 25 years after the original it chronicles the tumultuous first production and the play s successes in London and New York The book also looks at the key features of the play its representation of AIDS its status as an iconic gay play and its searing political commentary Concluding with an in depth analysis of Marianne Elliott s reimaging of the play this book is an up to date history of Angels in America and a reflection on its continued importance **Ante-Nicene Christian Library** Alexander Roberts,Sir James Donaldson,1886 [Ante-Nicene Christian Library: The works of Lactantius. v. 2., together with the Testaments of the twelve patriarchs and fragments of the second and third centuries \(1871\)](#) Alexander Roberts,Sir James Donaldson,1871 **The Works of Lactantius** Lactantius,1871
