The Sins of an Angel Ivella Jacobs, 2010-12-07 In *The Sins of an Angel* The Linmore Chronicles Angelica Angel Hampton Madison recalls the ups and downs of her life to a priest hoping for guidance into a growing dilemma Throughout life Angel has been dealt a difficult hand Following the death of Angels parents growing up on the wrong side of the tracks with her grandparents Blanche and Charles Franklin in the small community of Linmore Indiana was a challenge But her relationship with Daniel Madison is a glimmer of hope for the red haired beauty However the Madison family has its own sinister secrets Matriarch Elva Madison who has been a nagging sore in the Franklin familys side before Angel was born rules with a venomous tongue and an iron hand Quickly alienated in an abusive marriage Angel finds herself struggling with Daniels increasing rage and intolerance while trying to preserve a relationship with her two daughters who are taught to detest and disregard their mother by Elvas relentless meddling Confronted with the daunting decision of whether to stay and hope for the best or venture out into the unknown alone Angel discovers a radical third path while watching a newscast about recent carjackings that she believes will rekindle the magic her marriage once had Angel is further confused when a familiar source of happiness reenters her life while waiting for the situation to turn the way she is hoping for Meanwhile the investigation into Angels mysterious disappearance and potential murder engulfs the community of Linmore who have been aware of the Madison familys dark secrets the entire time Once all the drama unfolds and she is done bearing her soul to the priest Angel is left with a simple decision turn left or right unsure where the new paths will take her

A New Look at Love Elaine Hatfield, G. William Walster, 1985 This fascinating review of what social psychologists know about love sex and intimacy puts to rest some tired clichés on the subject Begins by asking What is this thing called love and finds that people distinguish between two kinds of love passionate love and companionate love This study answers a variety

of questions about love such as Where is the best place to find someone to love Do men and women want different things from love How can couples make love last Originally published by Addison Wesley in 1978 it won the American Psychological Foundation National Media Award in 1979 *Stories of Art* James Elkins,2013-10-18 *Stories of Art* is James Elkins s intimate history of art Concise and original this engaging book is an antidote to the behemoth art history textbooks from which we were all taught As he demonstrates so persuasively there can never be one story of art Cultures have their own stories about themselves about other cultures and to hear them all is one way to hear the multiple stories that art tells But each of us also has our own story of art a kind of private art history made up of the pieces we have seen and loved or hated the effects they had on us and the connections that might be drawn among them Elkins opens up the questions that traditional art history usually avoids What about all the art not produced in Western Europe or in the Europeanized Americas Is it possible to include Asian art and Indian art in the story What happens when one does To help us find answers he uses both Western and non Western artworks tables of contents from art histories written in cultures outside the centre of Western European tradition and strangely wonderful diagrams of how artworks might connect through a single individual True multiculturalism may be an impossibility but art lovers can each create a story of art that is right for themselves
