

## Animal Farm Chapter Four Questions

Directions: Answer each in a complete sentence. Use textual evidence to support your response.

1. What do Snowball and Napoleon do to encourage the spread of Animalism?

Snowball and Napoleon encourage the spread of Animalism by sending "out flights of pigeons whose instructions were to mingle with the animals on neighboring farms" (Orwell, 54).

2. Who are Frederick and Pilkington?

Frederick and Pilkington are the owners of the farms that reside on each side of Animal Farm.

3. In what ways do the humans try and stop the spread of Animalism?

The humans try and stop the spread of Animalism by stating "the animals there practiced cannibalism, tortured one another with red-hot horseshoes, and had females in common" (Orwell, 55). They were basically trying to spread lies so that the animals would not want to rebel.

4. Where does Snowball get his ideas for defending Animal Farm?

Snowball gets his ideas for defending Animal Farm by studying "an old book of Julius Caesar's campaigns" (Orwell, 57).

5. Describe how the animals are able to successfully defend the farm against the humans.

The animals are able to successfully defend the farm against the humans by working together and strategically planning their defenses.

6. Which animals are injured or killed during the battle?

During the battle, Snowball is injured and one sheep is killed.

7. How do the animals celebrate their victory?

The animals celebrate their victory by reassembling "in the wildest excitement, each recounting his own exploits in the battle" (Orwell, 59).

They also hoisted the flag and sung *Beasts of England*.

8. What part does Napoleon play during the Battle of the Cowshed? What do you think this says about him? During the Battle of the Cowshed, Napoleon was not present whatsoever. His lack of presence shows that Napoleon does not care for the well-being of everyone and does not share in the defense of the farm.

**Cultural Studies Goes To School** David Buckingham, Julian Sefton-Green, 2005-08-15 In the context of the growing diversity of contemporary societies and the central importance of the electronic media the place of popular culture in the school curriculum has become an increasingly controversial political issue Based on in depth research in an ethnically mixed working class secondary school Cultural Studies Goes to School is concerned with the relationships between young people's involvement in popular culture outside school and their experiences of media education within the formal school curriculum The first part of the book provides a detailed analysis of students' readings and uses of popular media ranging from computer games and soap operas to comics and rap music It offers a further challenge to received notions of young people as passive victims of ideological manipulation by the media and develops a social theory of reading that acknowledges the complex roles of gender race and social class The second part describes a number of classroom projects involving both critical and practical aspects of media education Through analysis of students' work in a range of media including photography video and print the authors develop a challenging theory of learning about popular culture and its place in the school curriculum This book offers an exciting and accessible account of young people reading and making popular culture which challenges many of the political claims and received wisdoms of academic Cultural Studies

**The Corruption of Theological Institutions by Plagiarism in Dissertations** Alkuin Schachenmayr, 2022-12-12 Getting a doctorate in Europe is supremely attractive for young Catholic priests from the

Global South They attain prestige career advancement and in many cases the opportunity to move permanently from impoverished countries to some of the world's wealthiest But do they submit rigorous original doctoral research in keeping with universal academic standards This study examines theological dissertations by international students accepted by major Austrian universities and shows that academic incompetence plagiarism and negligent supervision are seriously damaging theological institutions in Europe and abroad By looking the other way advisors and administrators do their students and the church a disservice
