Ephesians 6:12. In this ground-breaking book you will come face to face with the two most opposing spiritual forces operating in our world: angels and demons. These are not figments of our imagination but are alive and real at this very moment. Discover seven specific facts we need to know about spiritual beings. In this fact-filled book you will come face to face with the two most opposing forces operating in our world: Angels and Demons. These are not figments of our imagination but are alive and real at this very moment. You will discover seven specific facts you need to know about angelic beings. The form and function of seraphim and cherubim. The work of zoa living creatures. The mission of angels today. Biblical evidence that angels fathered the giants of the Old Testament. The seven devious methods used by demons to gain entrance into the life of a person. Twelve demonic strong man spirits spoken of in the Bible and how to overcome them. The role of angels and demons in God's end-time agenda. The battle between right and wrong, moral and immoral, virtuous and vile is as old as recorded history. God placed the Tree of the Knowledge of Good and Evil in the Garden of Eden and directed man not to eat of it, adding that death would occur if man ate of that tree. Today the conflict still rages. The Holy Bible is the only book ever written that gives us an insight into the heavenlies and allows us to peek into what lies beyond. There are literally hundreds of scriptures revealing all we need to know about this unseen world. We often miss the truth because we become bogged down in so many details yet what is spoken of is tangible and real. As you delve into the amazing revelations concerning both angels and
