so hard to keep invisible Anna Karenina Leo Tolstoy,1937 *Anna Karenina* Lev Tolstoj,Constance Garnett,2014-08-14 A complete introduction to this book and the life and works of the author Leo Tolstoy and the translator Constance Garnett is provided in this edition The novel Anna Karenina authored by the Russian writer Leo Tolstoy was published in serial installments from 1873 to 1877 in the periodical The Russian Messenger The first complete novel in a book form was published in 1878 Tolstoy considered Anna Karenina his first true novel when he came to consider War and Peace to be more than a novel Anna Karenina is widely regarded as a pinnacle in realist fiction Fyodor Dostoyevsky declared it flawless as a work of art His opinion was shared by Vladimir Nabokov who especially admired the flawless magic of Tolstoy s style and by William Faulkner who described the novel as the best ever written The novel is currently enjoying popularity as demonstrated by a recent poll of 125 contemporary authors by J Peder Zane published in 2007 in The Top Ten in Time which declared that Anna Karenina is the greatest novel ever written Anna Karenina is commonly thought to explore the themes of hypocrisy jealousy faith fidelity family marriage society progress carnal desire and passion and the agrarian connection to land in contrast to the lifestyles of the city Translator Rosemary Edmonds wrote that Tolstoy does not explicitly moralise in the book but instead allows his themes to emerge naturally from the vast panorama of Russian life She also says one of the novel s key messages is that no one may build their happiness on another s pain Anna Karenina is the tragic story of a married aristocrat socialite and her affair with the affluent Count Vronsky The story starts when she arrives in the midst of a family broken up by her brother s unbridled womanizing something that prefigures her own later situation though she would experience less tolerance by others A bachelor Vronsky is eager to marry her if she would agree to leave her husband Karenin a government official but she is vulnerable to the pressures of Russian social norms her own insecurities and Karenin s indecision Although Vronsky and Anna go to Italy where they can be together they have trouble making friends Back in Russia she is shunned becoming further isolated and anxious while Vronsky pursues his social life Despite Vronsky s reassurances she grows increasingly possessive and paranoid about his imagined infidelity fearing loss of control A parallel story within the novel is that of Konstantin Levin a country landowner who wants to marry Kitty sister to Dolly and sister in law to Anna s brother Oblonsky Konstantin has to propose twice before Kitty accepts The novel details Konstantin s difficulties managing his estate his eventual marriage and his personal issues until the birth of his first child The novel explores a diverse range of topics throughout its approximately thousand pages Some of these topics include an evaluation of the feudal system that existed in Russia at the time politics not only in the Russian government but also at the level of the individual characters and families religion morality gender and social class The novel is divided into eight parts Its epigraph is Vengeance is mine I will repay It begins with one of its most oft quoted lines Happy families are all alike every unhappy family is unhappy in its own way The novel opens with a scene that introduces Prince Stepan Arkadyevich Oblonsky Stiva a Moscow aristocrat and civil servant who has been unfaithful to his wife Darya Alexandrovna Dolly Dolly has discovered his

affair with the family's governess and the household and family are in turmoil Stiva informs the household that his married sister Anna Arkadyevna Karenina is coming to visit from Saint Petersburg **Anna Karenina** Leo Tolstoy, 2020-07-29

Annotated Unabridged Uncensored Edition Anna Karenina novel by Leo Tolstoy published in installments between 1875 and 1877 and considered one of the pinnacles of world literature The narrative centres on the adulterous affair between Anna wife of Aleksey Karenin and Count Vronsky a young bachelor Karenin's discovery of the liaison arouses only his concern for his own public image Anna promises discretion for the sake of her husband and young son but eventually becomes pregnant by Vronsky After the child is born Anna and the child accompany Vronsky first to Italy and then to his Russian estate She begins making furtive trips to see her older child and grows increasingly bitter toward Vronsky eventually regarding him as unfaithful In desperation she goes to the train station purchases a ticket and then impulsively throws herself in front of the incoming train A parallel love story involving the difficult courtship and fulfilling marriage of Kitty and Levin provides a rich counterpoint to the tragedy and is thought to reflect Tolstoy's own marital experience There is an inevitability about the tragic fate that hangs over the adulterous love of Anna and Vronsky Vengeance is mine I will repay is the epigraph of the novel and the leitmotif of the story Anna pays not so much because she transgresses the moral code but because she refuses to observe the proprieties customarily exacted in such liaisons by the hypocritical high society to which she belongs What is it about Anna Karenina that gives it special status among the great novels How is it that a sensational romantic tragedy of tsarist high society interspersed with digressions into 19th century Russian agricultural policy written in a seemingly plain straightforward style across 900 pages still provokes both excitement and respect from readers as diverse as JM Coetzee Jonathan Franzen and Oprah Winfrey and lures Tom Stoppard to write the script for the latest of a dozen film adaptations The book floats in some charmed section of the lake of literary opinion where the ripples from modernism and the ripples from Hollywood overlap without merging It is more admired than learned from Anna Karenina couldn't be less like a conventional modern novel Instead of a barrage of metaphors describing things in terms of other things that they resemble Lev Tolstoy seeks the precise word for the thing itself Instead of the solipsistic modern mode of events being experienced from the point of view of a single character Tolstoy slips in and out of the consciousness of dozens of characters major and minor At one point he tells us what a character's dog is thinking Tolstoy doesn't believe in show don't tell He likes to show and tell The teller the narrator of the book is a formless omniscient voice with no elaborate Rothian construct to justify his role No first person or free indirect speech here Even while we're in a character's head it's the narrator who recounts the character's experiences through liberal use of such unfashionable phrases as she thought he felt and it seemed to him that Tolstoy creates a space for the narrator's independence the narrator is close enough to the characters to rely on them for his existence but free enough to pass unchallenged judgment on their actions and to tell us things about them that they don't know about themselves The most powerful passages are those where Tolstoy slows time down to note each thought gesture

and feeling of Anna and her lover Vronsky with a third entity present the narrator not only lodged deep in the two psyches but standing back to tell us the ways in which one is misunderstanding the other *The Architecture of Anna Karenina* Elisabeth Stenbock-Fermor,1975-12-31 When criticized about the lack of architecture in Anna Karenina connecting the themes of Levin and Anna Karenina Tolstoj disagreed The arches of the vault are brought together in such a way that it is even impossible to notice where the keystone is This book explores the architecture attempting to trace the pattern of the invisible pillars that support the arches on both side of the vault leading to the discovery of the keystone which Tolstoj tried so hard to keep invisible **Anna Karenina By Lev Nikolayevich Tolstoy & Translated By Constance Garnett "The Annotated Classic Volume"** Lev Tolstoy,2020-04-18 Acclaimed by many as the world s greatest novel Anna Karenina provides a vast panorama of contemporary life in Russia and of humanity in general In it Tolstoy uses his intense imaginative insight to create some of the most memorable characters in all of literature Anna is a sophisticated woman who abandons her empty existence as the wife of Karenin and turns to Count Vronsky to fulfil her passionate nature with tragic consequences Levin is a reflection of Tolstoy himself often expressing the author s own views and convictions Throughout Tolstoy points no moral merely inviting us not to judge but to watch As Rosemary Edmonds comments He leaves the shifting patterns of the kaleidoscope to bring home the meaning of the brooding words following the title Vengeance is mine and I will repay
