Locke,2000-01-01 A surprisingly little known marque today Elcar once ranked among the finest vehicles on American roads Built to exacting standards in Elkhart Indiana an Elcar could compete head to head on the basis of performance quality or price with the products of much larger manufacturers Ultimately done in by weak distribution and the ravages of the Depression Elcar today stands as an example of an ambitious company that transformed itself successfully if temporarily from a maker of buggies and harnesses into a respected car manufacturer in the early days of the automotive age This remarkably exhaustive history researched over several decades from all available sources including interviews with former Elcar employees details every Elcar model and the Pratt vehicles that preceded them as well as the personalities behind the cars Extensive appendices provide a complete model history with specifications a full corporate chronology an illustrated accounting of all Elcars and Pratts known to survive whole or in part today a roster of company employees a descriptive list of all ads and brochures ever produced by the company and a wealth of other data that can be found nowhere else Lavishly illustrated and surpassingly thorough this book is a well of information on a significant but forgotten line of automobiles **No Logo, No Trust** Onesimus Malatji,2025-01-19 In No Logo No Trust The Rise of Modern Fraudsters the author delves into the growing prevalence of

scams in the asset sales industry where con artists deceive buyers with fake promises of houses cars and other high value items Using detailed examples and case studies the book examines how these scammers operate often relying on free email services counterfeit documents and the absence of professional identifiers like company logos official emails and verifiable addresses The book provides practical advice on how to spot and avoid these schemes emphasizing the importance of conducting due diligence before making significant financial commitments It outlines steps to verify the legitimacy of a business from checking their credentials and office presence to recognizing the warning signs of fraud Through insightful analysis and real life accounts No Logo No Trust equips readers with the tools to navigate the modern marketplace safely It serves as both a cautionary tale and a practical guide for those seeking to protect themselves from falling prey to the rise of modern fraudsters

Recycling and Redesigning Logos Michael Hodgson,2010-09-01 Redesigns are part of every designer s repertoire but sometimes getting inspired or motivated to redesign an existing logo can be challenging and cumbersome The goal of maintaining equity by using existing elements in new ways and combining them with new elements is akin to the task of recycling In other words how do designers improve and recreate identities without throwing out the usable stuff that is makes up the existing brand Recycling and Redesigning Logos demonstrates the strategies and processes of successful redesigns and shows readers how to build on the equity the brand already retains to create a fresh look The case studies feature before and afters of the logos and discuss why the redesign was necessary and demonstrate how to reuse reformat and build on the ingredients materials and essence that is already there

1969 Plymouth Road Runner Wes Eisenschenk,2017-04-17 The late 1960s was an interesting time in the automotive world Muscle cars as we now know them were well established with all manufacturers joining the horsepower race You could walk into the showroom for any brand from any manufacturer and find a variety of performance models Competition being what it is the manufacturers were looking for ways other than winning races to lure buyers into the showrooms and entice them to buy their products Some tried to accomplish this with fancy marketing schemes and graphic paint packages and decals and for the first time some tried to win over buyers with price Volume No 5 of CarTech s In Detail series covers the 1969 Plymouth Road Runner It was an interesting marriage of a car that attempted to appeal to potential buyers with a low cost light weight and potent bare bones package It also added a brilliant marketing strategy of partnering with a famous studio and a popular cartoon character The end result was a wildly popular big block affordable muscle car with great graphics and a cool beep beep horn The public loved it All In Detail Series books include an introduction and historical overview an explanation of the design and concepts involved in creating the car a look at marketing and promotion and an in depth study of all hardware and available options as well as an examination of where the car is on the market today Also included is an appendix of paint and option codes VIN and build tag decoders as well as production numbers
