Bush,2018-11-13 As seen on The Today Show A page turning memoir from a former opioid addict in an opioid addicted community and an up close look at America s new health crisis Behind closed doors millions of people abuse opioids Nicholas Bush was one of them In this beautifully raw and refreshingly honest memoir Nicholas Bush boldly allows readers into his addiction ravaged community We see how heroin nearly claimed his life on multiple occasions how it stole the lives of his young siblings and friends and how it continues to wage a deadly toll on American neighborhoods claiming thousands of lives and decreasing the average lifespan But we also see that there is a way off of the devastating rollercoaster of opioid addiction even for the most afflicted Nicholas fights for recovery claws his way out of a criminal livelihood and finds his footing with faith and family providing Americans with the inspirational story that is deeply needed today **At the Heart of the Universe** Samuel Shem,2016-06-28 The story of two mothers and a father in love with the same daughter Samuel Shem s *At the Heart of the Universe* is an epic novel set deep in rural China against the backdrop of an ancient mountain monastery during the time of the one child per family policy Inspired by the author s experiences as parent of an adopted child it describes the drama of adoption and the journey of loss and rebirth that can happen when a daughter brings together her adopted mother and father with her birth mother high on a mountaintop Set in 1991 in Changsha capital of Hunan province as a Chinese woman abandons her one month old daughter in a pile of celery in a busy market and then shifting to Changsha ten years later as the daughter returns with her adopted American parents the story moves across southern China until high atop Emei San one of China s sacred mountains with a Buddhist temple the four are brought together in the wilderness a perilous and explosive time that unleashes their heartbreak and suffering and remarkably transcends it to shared compassion and new beginnings *The Hero's Trail* Peter C. Mowrey,2022-03-14 The great American Westerns can be profoundly meaningful when read metaphorically More than mere shoot em up entertainment they are an essential part of a vibrant evolving national mythology Like other versions of the archetypal Hero s Journey these films are filled with insights about life love nature society ethics beauty and what it means to be human and are key to understanding American culture Part film guide part historical survey this book explores the mythic and artistic elements in 52 great Westerns some orthodox some subversive from the genre s first half century Each film is given detailed critical analysis from the earliest silent movies to Golden Age classics like *Red River* 1948 *High Noon* 1952 and *Shane* 1953 **The Wisconsin Farmer** ,1892 **Ballou's Dollar Monthly Magazine** ,1885 *Senate documents* ,1877 *A Rancher Of Convenience (Lone Star Cowboy League: The Founding Years, Book 3) (Mills & Boon Love Inspired Historical)* Regina Scott,2016-09-01 *Fill In Father and Husband* Predator Jack Olsen,2020-05-28 Jack Olsen the master of the true crime book now gives us an incisive probing look into the creation and development of the criminal mind as well as a shocking case of justice gone awry From childhood McDonald Smith took to heart the lessons drummed into him by antisocial relatives and peers As a teenager unburdened by conscience or pity he experimented with child abuse and bestiality then moved on to larceny stickups incest and finally rape Warned by a

witch that he was about to be arrested he fled Los Angeles for Seattle and the Northwest already the breeding ground of predatory monsters like Ted Bundy Kenneth Bianchi and the Green River Killer There for years he stalked the women of Seattle seeking his prey on the dark streets and in the quiet homes then returning to his wife and family too careful and too clever to be caught By fall 1980 Mac Smith's luck still held A respectable young businessman named Steve Titus found himself charged with one of Smith's most sadistic rapes in a nightmarish case of mistaken identity and injustice The idealistic Titus was certain that the American system of justice would clear him right up to the day that a jury of his peers returned a verdict of guilty as charged While Mac Smith continued to terrorize the women of Seattle Titus lost everything his reputation his job his loved ones his freedom It was only when a Pulitzer prize winning reporter answered Titus's pleas for justice that the terrible truth emerged a truth that was darker than anyone imagined Predator is a gripping work of true crime reporting Jack Olsen doing what he does best It is a searing study of violations of women of justice of power and of the human spirit Jonathan Kellerman Review With careful reporting that sticks close to the facts Jack Olsen tells stories that seem straight out of crime fiction and yet are all the more compelling for being true This book focuses on three men a criminal who preyed on women a carefree partygoer who was wrongly convicted of the predator's crimes and a reporter for the Seattle Times who won a Pulitzer Prize for tracking down the truth It's supposed to be a rare event in the U S judicial system that someone this innocent gets screwed this badly Even if it only happened to one person every decade it would still be a horrible thing And the smiling rapist described as having a sweet Jesus like countenance knowingly allowed that to happen Olsen not only delivers a real page turner but he ties up all the loose ends before the book's memorable and satisfying finale **Puck** ,1885

The Insipid Prince's Furtive Grab for The Throne□**Vol.1 Part 1** , Arnold is a lethargic prince who is ridiculed by the entire empire as an insipid runner But in fact he is the most powerful prince with a secret identity as Silver an SS grade adventurer who manipulates forbidden ancient magic The story of the strongest prince who plays the role of an incompetent and his secret struggle for the throne begins **Publishers' circular and booksellers' record** ,1897
