Photography with a Microscope Fred Rost,Ron Oldfield,2000-02-17 This beautifully illustrated book describes how to record images viewed through a microscope Dealing with the principles and practice of photomicrography it is written for all who take photomicrographs whether beginners or more experienced practitioners The book describes techniques which may be applied to many disciplines for teaching research archives or pleasure Techniques for the improvement of contrast are covered in considerable detail Besides standard photography the book describes modern digital techniques and there is also a short chapter on drawing In addition to its value as a work of reference the authors clear didactic style makes this book suitable as a textbook for courses in photomicrography and or elementary light microscopy

Photography ,1893 **Shiny's Kid** John T. Bresnahan,2023-08-28 About the Book After the suspicious death of his parents a toddler is dumped in a horribly abusive orphanage by his greedy grandfather who expected him to die there But he didn t He survived and escaped landing under the wing of a homeless Army veteran who taught him how to keep right on surviving Known on the street as simply Shiny s Kid James Flint is anything but simple He s a highly intelligent young man raised to remain aloof and distant for his own protection but who reaches out for a sense of friendship community and family he never had growing up Flint ends up inheriting the estate his late grandfather stole as well as property in the northwest Once there he begins building building a home friendships building that community and family he s always sought Along the way he helps a growing number of people who embrace him and despite any setbacks he faces he does not give up and keeps trying seeing how his positive actions affect those around him The only alternative to this is reverting to how he was raised cold and alone in a kill or be killed

atmosphere Can a kid who began poor abused and raised on the streets overcome it all do well and make a difference with and for those around him About the Author John T Bresnahan was born and raised in New England His favorite holidays are St Patrick s Day and Fall Festivals He joined the Air Force and served over twenty years and got to see most of the world Bresnahan retired and finished his master s degree going on to teach elementary school mostly fourth grade which he loved until he retired in 2018 After surviving in his house through Hurricane Michael s fury once he got power and water several months later he started getting ideas that he just had to put down on paper It was really weird at first as he has gone off in several directions and now has ten books started from adventure to Sci Fi to romance Bresnahan s two sons are his life though they are both grown he will always see them as young boys whose only goal in life it seemed to him at the time was to challenge him His family in Massachusetts is far away but it is wonderful when they get together to talk and socialize Bresnahan likes to do small woodworking projects painting mostly acrylics and drawing His grandmother started painting in her sixties and was pretty good He suspects his family tends towards late bloomers in the talent category
