All the Little Live Things

Why does the older generation feel as it does about what is happening in the world today? Wallace Stegner answers the question, with sympathy and understanding, for one good human individual trying to come to terms with his world while retaining his own integrity. In a novel that probes deeply into this and other aspects of contemporary life, he shows his narrative skill, his great gifts of evocation, and his eloquent intelligence at their mature best.

Joe Allston and his wife, two Easterners in their sixties, retire to California in search of peace after the death of their wayward son. Their paradise is invaded by assorted parasites—not only by the gopher and the rose blight, the king snake and the hawk, but also by a neighbor with a bulldozer, bent on “development.” Jim Peck, a bearded young cultist, builds a treehouse on their property and starts a University of the Free Mind, complete with yoga, marijuana, and free-wheeling sex. Most damagingly of all, it is invaded by Marian Catlin, an attractive young wife and mother, affirming all the hope and love that the Allstons believe in, who carries within herself seeds as destructive as any in the malevolent nature that surrounds them.

All these forces come together in a climax of devastating effectiveness. That the Allstons survive it, and gain wisdom and understanding, makes this an affirmative and deeply moving book.

All the Little Live Things by Wallace Stegner Wallace Stegner, All the Little Live Things Wallace Stegner, 1968

All the Little Live Things Wallace Stegner, 2013-05-02 Timely and timeless Will hold any reader to its last haunting page Chicago Tribune The early life of Joe Allston the retired literary agent of Stegner's National Book Award winning novel *The Spectator Bird* features in this disquieting and keenly observed novel Scarred by the senseless death of their son and baffled by the engulfing chaos of the 1960s Allston and his wife Ruth have left the coast for a California retreat And although their new home looks like Eden it also has serpents Jim Peck a messianic exponent of drugs yoga and sex and Marian Catlin an attractive young woman whose otherworldly innocence is far more appealing and far more dangerous *The Great Gatsby* captures the twenties and yet transcends them All the Little Live Things is a comparable achievement for the sixties Stegner's craft is here at an apex Virginia Quarterly Review

The Western Landscape in Cormac McCarthy and Wallace Stegner Megan Riley McGilchrist, 2012-06-25 The western American landscape has always had great significance in American thinking requiring an unlikely union between frontier mythology and the reality of a fragile western environment Additionally it has borne the burden of being a gendered space seen by some as the traditional virgin land of the explorers and pioneers subject to masculine desires and by others as a masculine space in which the feminine is neither desired nor appreciated Both Wallace Stegner and Cormac McCarthy focus on this landscape and environment its spiritual narrative symbolic imaginative and ideological force is central to their work In this study McGilchrist shows how their various treatments of these issues relate to the social climates pre and post Vietnam era in which they were written and how despite historical discontinuities both Stegner and McCarthy reveal a similar unease about the effects of the myth of the frontier on American thought and life The gendering of the landscape is revealed as indicative of the attempts to deny the failure of the myth and to force the often numinous western landscape into parameters which will never contain it Stegner's pre Vietnam sensibility allows the natural world to emerge tentatively triumphant from the ruins of frontier mythology whereas McCarthy's conclusions suggest a darker future for the West in particular and America in general However McGilchrist suggests that the conclusion of McCarthy's *Border Trilogy* upon which her arguments regarding McCarthy are largely based offers a gleam of hope in its final conclusion of acceptance of the feminine *Telling the Stories Right* Jack R.
