Resorting to Casinos Denise K. von Herrmann, 2011-01-01. Contributions from Sharon Wright, Austin Edward J. Clynnch, Richards Davis, Douglas G. Feig, P. Edward French, James B. Kaatz, John Lyman, Mason Richard T. Middleton IV, Michael Nelson, Deanne Stephens, Nuwer, Greg O'Brien, Brian Richard, Rodney E. Stanley, Denise von Herrmann, and Dena C. Wittmann. After the devastation Hurricane Katrina wrought on Mississippi's Gulf Coast, casinos media nationwide reported the loss in revenue the state was bound to suffer. From just those casinos shut down or destroyed by the storm, 500,000 in tax revenue had poured into Mississippi's coffers every day. Biloxi Bay, St. Louis, Gulfport, Greenville, Lula, Natchez, Tunica, and Vicksburg destinations once known for hanging moss antebellum homes or seaside fun are now also sought out for casino gambling. The phenomenal growth of the Mississippi casino resort industry has attracted substantial interest from industry observers, public officials, politicians, and public interest groups. This book seeks to begin the conversation about the effects the industry and its dramatic growth have had on the politics, culture, and people of Mississippi. Prior to the casinos' arrival in mid-July of 1992, the river and coastal regions of Mississippi were mired in economic recession. Unemployment was high, incomes were low, and prospects for improvement were dim. One state economic developer said the decision to authorize casinos was born more out of desperation than any ingenious plan. As the third largest casino gaming market in the United States before Katrina, Mississippi today has a more than ten-year history with the casino industry. The twenty-nine non-Indian casino properties generated nearly 3 billion in gross gaming revenues, resulting in about 330 million in direct gaming taxes to the state. *Resorting to Casinos* provides insight into the ongoing debate as to how well the casino industry and Mississippi fit together. Political scientists, economic developers, sociologists, and policy analysts provide essays on such topics as the casino workplace, casinos and crime, the historical and cultural influences of casinos, and the economic ramifications. It provides the first multidisciplinary examination of the casino resort phenomenon in Mississippi. Additional information updates new gaming laws in Mississippi that will allow casinos to build inland on the Gulf Coast. Editor Denise von Herrmann looks at the legislative battle fought in Katrina's aftermath and the future of gaming across the state.

Double Down Frederick Barthelme, Steven Barthelme, 2001-05-21 An exquisitely crafted memoir by two brothers who lost their parents lost their inheritance and almost lost their freedom The Wall Street Journal Frederick Barthelme and his brother Steven were both accomplished respected writers with stable adult lives when they lost both of their parents in rapid succession They had already lost their other brother just a few years earlier Suddenly they were on their own emotionally unmoored and unprepared for what would happen next Their late father had been a prominent architect and the brothers were left with a healthy inheritance Over the following several years they would lose close to a quarter million dollars in the gambling boats off the Mississippi coast Then in a bizarre twist they were charged with violating state gambling laws fingerprinted and thrown into the surreal world of felony prosecution For two years these widely publicized charges hung over their heads shadowing their every step Double Down is the wry often heartbreaking story of how Frederick and Steven Barthelme got into this predicament It is also a reflection on the allure of casinos and the pull and power of illusions that can destroy our lives if we aren t careful One of the best firsthand accounts ever written about organized gambling Like Goodman Brown taking a walk with a hooded stranger into the darkness of the New England woods the Barthelme brothers suddenly find themselves inside the maw of the monster The compulsion to control to intuit the future to be painted by magic could not be better or more accurately described James Lee Burke Beautifully evoking the gamblers addiction their mesmerizing account is best read as a novel Camus might have
