Alone Together How Marriage In America Is Changing:

Alone Together Paul R. Amato, 2007-01-15 Most observers agree that marriage in America has been changing Some think it is in decline that the growth of individualism has made it increasingly difficult to achieve satisfying and stable relationships Others believe that changes such as increasing gender equality have made marriage a better arrangement for men as well as women Based on two studies of marital quality in America twenty years apart this book takes a middle view showing that while the divorce rate has leveled off spouses are spending less time together people may be bowling alone these days but married couples are also eating alone Indeed the declining social capital of married couples including the fact that couples have fewer shared friends combined with the general erosion of community ties in American society has had pervasive negative effects on marital quality At the same time family income has increased decision making equality between husbands and wives is greater marital conflict and violence have declined and the norm of lifelong marriage enjoys greater support than ever The authors conclude that marriage is an adaptable institution and in accommodating the vast changes that have occurred in society over the recent past it has become a less cohesive yet less confining arrangement Alone Together

Paul R. Amato, Alan Booth, David R. Johnson, Stacy J. Rogers, 2009-06-30 Based on two studies of marital quality in America twenty years apart Alone Together shows that while the divorce rate has leveled off spouses are spending less time together The authors argue that marriage is an adaptable institution and in accommodating the changes that have occurred in society it has become a less cohesive yet less confining arrangement **Second Thoughts: Sociology Challenges**

Conventional Wisdom Janet M. Ruane, Karen A. Cerulo, 2011-06-07 Do birds of a feather flock together or do opposites attract Does haste make waste or should you strike while the iron is hot Adages like these or conventional wisdoms shape our social life This Fifth Edition of **Second Thoughts** reviews several popular beliefs and notes how such adages cannot be taken at face value This unique text encourages students to step back and sharpen their analytic focus with 24 essays that use social research to expose the gray areas of commonly held beliefs revealing the complexity of social reality and sharpening students sociological vision **Catholic Theological Ethics, Past, Present, and Future** James F.
