Alvin the Rooster Scott Holland, 2015-01-07 Alvin and Friends Rainbow Stories This story is about different animals that live on farms and that help children to learn to read and their colours and at the end has a counting page to help them with their counting I think this book will be one of the best ways the children get to learn how to read what the animal is and what sound they make and best of all they get to learn their colours To learn counting colours and reading in one book is awesome saves having heaps of different books to teach the children what they need to know and the stories are funny for parents and also the children as well Starting to read with their parents from the time they are born right up to some adults that cant read this would be a perfect book to learn with and I hope it would not be frustrating but fun to read and learn I loved writing this book and have been having a great journey to this point Alvin the Rooster would have to be one of my favourites but have to let you read the book and see what story you like Alvin the Rooster well in the book he had lost his cock a doodle doo unfortunately he couldnt do his job as a rooster was supposed to The other animals and the farmer had to go and see if they could find it Where did Alvins cock a doodle doo go See if you can find Alvins cock a doodle doo Read the book and see if you can be the first one to find it Also to come out are the other books continuing from this first book such as Daisy the Cow Sally the Pig and her six piglets Alex the Sheep Rosie the Goose Cowboy the Horse and Jupe the Little Dog That Could *The Secret In Her Heart* Cassie Merko, 2012-11-11 Ambitious Michael Boyer secures social and material status by marrying Helen Banaduk only daughter of an affluent farmer Their courtship results in Helen s pregnancy Michael is subjected to crude teasing which he perceives as disrespect from the community Convinced of his own intellectual superiority he blames Helen and the baby Kaydee for this loss of respect As the novelty of his material acquisition wears off and his discontent grows he subjects both Helen and Kaydee to unrelenting verbal and emotional abuse He exploits Helen s submissive nature and harnesses her to a life of hard labour resulting in two miscarriages This costs him further scorn from his neighbours until his ego can take the ridicule no more His irrational fury triggers a tragic accident and as he recuperates in a distant hospital he plots revenge on a family that he feels caused his distress and then betrayed him This poignant story relates perspectives from three generations about abuse at the hands of this cruel man **Positive Pete Saves Wokville** , 2012-10-11
