
CPC 2023 – 2024 Exam Study Guide (With Complete Solution)

Documentation (content) - Proper code assignment is determined both by _____ in the medical record and by the unique rules that govern each code set in that instance

An auditor - The role a coder may take on to verify that the documentation supports the codes the physician has selected

Query the physician - If the medical record is inaccurate or incomplete, it will not translate properly to the language of codes. What can a coder do in order for the medical record to be complete and accurate so they can bill properly?

Quarterly (usually) - How often are codes and insurance payment policies updated?

NPP - Non-Physician Provider (also known as mid-level providers or physician extenders)

PA - Physician assistant

NP - Nurse practitioner

Commercial and Government - The two types of primary insurances

Commercial Carriers - Private payers that may offer both group and individual plans

Medicare - The most significant government insurer; a federal health insurance program

People over 65, blind or disabled individuals, and people with permanent kidney failure or end-stage renal disease - Medicare provides coverage for what kind of people?
