recalls a couple funny anecdotes about him I know he will put two and two together when he is studying the agricultural subsistence economy of that era down the road in Social Studies But if he knows all about the injustices of slavery in Ancient Greece and doesn't know who Themistocles was he will grow up lacking in cultural education Culture is memes And that means historical figures and anecdotes about them The suggested reader age for this book is 8 to 14 years old To write this book I went back to Herodotus Plutarch Diogenes Laertius and other ancient sources of biographical anecdotes and extracted from them the stories that will be most memorable to a modern kid I retold them without adding any fictional color I have omitted some things however Anything gruesome or seriously cruel is not included Anything off color or outside traditional family friendly morality is not included I have included only accounts of the most major battles and without much detail Battles are important but as a kid maybe as a girl I was falling asleep over the ancient battles Politics Again I have included only major turns of events I wove the information about the social order and geography of Ancient Greece into the stories of the era's historical figures So no worries the kid will learn about the Agora and Acropolis of Athens the city states of Corinth and Sparta daily life in an Ancient Greek household the major Greek temples and the three orders of Ancient Greek architecture This book is richly illustrated I don't agree that if you are 13 or 16 you should be content with pages and pages of text and no pictures Illustrations help both kids and grownups to visualize and therefore to remember events and descriptions I have illustrated the book mostly with paintings portraying historical figures or everyday life in classical Greece Whenever I could I chose late 19th century and early 20th century art over the older neoclassical paintings for a more accurate representation of the Ancient Greek costume and environment I added some photos of the sculpture artifacts and architectural monuments of Ancient Greece Important I have selected illustrations with absolutely no nudity so it's safe to take this book to school Here is a list of the historical figures included in this book Homer Aesop Drakon Solon Croesus Pythagoras Pheidippides Leonidas Themistocles Pericles Phidias Socrates Aspasia Hippocrates Alexander the Great Diogenes Plato Herostratus Aristotle Archimedes
