Steven Trout,2020-04-07 A great white angel spreading her wings across the Moreno Valley this is how one visitor described the memorial standing atop a windswept prominence in the Sangre de Cristo Mountains near Taos New Mexico A de facto national Vietnam veterans memorial built by one family more than a decade before the Wall in Washington DC and without aid or recognition from the US government the chapel at Angel Fire is a testament to one young American's sacrifice but also to the profound determination of his family to find meaning in their loss In The Vietnam Veterans Memorial at Angel Fire Steven Trout tells the story of Marine Lieutenant David Westphall who was killed near Con Thien on May 22 1968 and of the Westphall family's subsequent struggle to create and maintain a one of a kind memorial chapel dedicated to the memory of all Americans lost in the Vietnam War and to the cause of world peace Focused primarily on a life lost amid our nation's most

controversial conflict and on the Westphalls desperate battle to keep their chapel open between 1971 and 1982 the book's brisk and moving narrative traces the memorial's evolution from a personal act of family remembrance to its emergence as an iconic pilgrimage destination for thousands of Vietnam veterans Documenting the chapel's shifting messages over time which include a momentary and controversial recognition of the dead on both sides of the war The Vietnam Veterans Memorial at Angel Fire spotlights one American soldier's tragic story and the monument to hope and peace that it inspired

The Angel's Fire Holley Trent, 2020-10-03 In sixteenth century Central America the goddess La Bella Dama witnessed the explosion of a slave ship off the coast Hundreds of years later she's still running from what she did in the aftermath A rare moment of softness for some of the nearly dead compelled her to make a deal with the devilish fallen angel responsible for the disaster The women got a second chance but now their descendents have caught up to her and want her to mend her sloppy work And if she doesn't She and her little family in Maria will never have another moment of rest She's no longer a creature who wants to be worshiped She'll never be normal but as Lola Perez she enjoys the peace of blending in Her long ago collaborator Tarik thinks satisfying the angriest amongst the women in El Culto will be simple enough just give them a little more magic and let them rejoin their sisters in Mexico But Tarik's going to have to fix quell the uproar on his own Lola decided a long time ago that there's comfort in the status quo That's why she's been refusing his advances for the past five hundred years They get along like fire and gasoline and he's the only creature she's ever encountered who can make her heart race While they may be uniquely equipped to withstand each other's heat Lola's not ready to commit to him She was humiliated by a lover once before and proved there's nothing more reckless than a goddess scorned
