Animal Farm Mock Trial Student Directions

You will soon be participating in a mock trial to debate the following issue:
Is Napoleon the pig guilty for crimes against the animals in Animal Farm?

There are two sides to every story.

If you are on the prosecution team...	If you are on the defense team...
You are seeking to prove that Napoleon is guilty for crimes against the animals in Animal Farm, was a tyrant to others, and only looked out for himself.	You are seeking to prove that Napoleon was not guilty for crimes against the animals in Animal Farm, was a leader, and only looked out for himself.

You will be given an important role to play, whether prosecution or defense, and you will think critically about the following questions:

- Do you believe Napoleon is guilty?
- How does Napoleon prove his innocence?
- What evidence from the book could you use to prove your case?
- How will you respond to the other side's arguments?
