Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice

Inclusive Educational Practice Teresa Grainger, Janet Tod, 2013-10-28 First Published in 2001 An inclusive education is one which seeks to respond to individual differences through an entitlement of all learners to common curricula Armstrong and Barton 2000 This book attempts to respond to this definition of inclusion by examining the principles of the literacy curriculum and a range of pedagogic practices The complex relationships between inclusion literacy and learning are acknowledged and it is argued that quality learning in language and literacy can work towards increased equity and involvement within the classroom community

Children's Reading of Film and Visual Literacy in the Primary Curriculum Jeannie Hill Bulman, 2017-08-12 This book draws on a longitudinal study which highlights the beneficial impact of film in the primary curriculum It provides detailed accounts of both the reading process as understood within the field of literacy education and of film theory as it relates to issues such as narration genre and audience The book focuses on a small cohort of children to explore how progression in reading film develops throughout a child's time in Key Stage 2 it also examines how the skills and understanding required to read film can support the reading of print and vice versa in an asset model approach Since children's progression in reading film is found to be not necessarily age related but rather built on a period of experience and opportunity to read and or create moving image media Bulman clearly illustrates the importance of the inclusion of film in the primary curriculum The book provides an accessible study to a large audience of primary teachers and practitioners and will be a valuable resource for students and researchers in the fields of education English and media studies
