Rondo Soccer Drills Chest Dugger, 2021-06-12 Have you wondered how Pep Guardiola s teams have dominated European leagues for the last two decades Not only is the answer simple it s something that you can use to take your game and your team s game leagues above your opposition The key to Pep s success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they ve helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated

Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now [Beautiful Soccer](#) Ryan Marquez, Doug Werner, 2012-08-01 Exploring the role of coaches and parents this book emphasizes the importance of team identity and a team mindset and presents the necessary foot skills and tactics to help young soccer players both perform better and have more fun As youth soccer becomes increasingly popular coaches often gloss over individual improvement in order to win relying on rigid systems and a few elite players to carry a team This impairs player development and kills the joy of the game so how can adults make competitive soccer better for kids Addressing that very problem this book outlines basic patterns of play that young players can use to advance the ball and illustrates innovative techniques that will help improve any team Moreover this book advocates a soccer culture free from the fear of failure instead players coaches and parents are encouraged to foster confidence passion creativity and the desire to try and keep trying **Youth Soccer For Parents For Dummies** Thomas Dunmore, 2025-03-11 Understand the sport of soccer and encourage your kids to have fun Youth Soccer For Parents For Dummies explains how you can prepare your children to play and enjoy the sport of soccer whether they play recreationally or at the elite youth level Get up to speed on the basic rules and learn to keep kids interested and motivated in
