

"Amazing Grace (My Chains Are Gone)"

Amazing grace
How sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind, but now I see

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

My chains are gone
I've been set free
My God, my Savior has ransomed me
And like a flood His mercy reigns
Unending love, amazing grace

The Lord has promised good to me
His word my hope secures
He will my shield and portion be
As long as life endures

[2x]

My chains are gone
I've been set free
My God, my Savior has ransomed me
And like a flood His mercy reigns
Unending love, amazing grace

The earth shall soon dissolve like snow
The sun forbear to shine
But God, Who called me here below,
Will be forever mine.
Will be forever mine.
You are forever mine.

Amazing Grace My Chains Lyrics:

Amazing Grace at 250 Martin V. Clarke, Gareth Atkins, 2025-08-01 This book focuses on arguably the best known Christian hymn worldwide From the slave trade to the civil rights movement and from obscurity in its country of origin to global recognition the origins history influence and legacy of Amazing Grace are uniquely complex The volume brings together historians theologians literary scholars and musicologists to shed new light on the ways in which the hymn s lyrics familiar musical setting and its performance by leading vocalists contribute to its enduring popularity and the meanings and value ascribed to it by diverse communities across time and place The chapters explore the literary and religious qualities of the text its relationship with the ubiquitous NEW BRITAIN melody its adoption and adaptation by famous singers and in Christian churches from South America to Asia The contributors highlight significant facets of the hymn s origins and legacy while the collection as a whole provides a focused emphasis on the importance of historical literary theological and musical approaches in understanding the ways in which Christian congregational music acquires meaning and influences thought and practice in local and global contexts

Ransomed, Redeemed, and Forgiven David H. McIlroy, 2022-07-05 Images connected to money are found frequently in the Bible and in the hymns and songs Christians sing The ideas of ransom redemption and forgiveness are a key part of how the work of Jesus on the cross is described But what do the pictures of ransom redemption and forgiveness actually mean How would they have been understood by the first hearers of the gospel How do they link to kidnapping slavery and debt Using practical examples from his experience as a banking lawyer and from history David McIlroy shows how power money and sin combine to trap us leaving us in desperate need of a redeemer to rescue us This book will deepen your understanding of Jesus s death enrich your worship and inspire you to share and demonstrate the transformative power of the salvation achieved through the cross and resurrection

The Fallenness of Man and the Graciousness of God Brian Orr, 2014-07-25 This book is a defense of the five points of Calvinism written in response to an article written by Stephen Richardson Chair of the

Biblical Studies Department and Associate Professor at Pacific Christian College of Ministry and Biblical Studies Fullerton Ca His article was published in the Christian Standard periodical to give warning about and to dismiss Calvinism claiming that it is contradictory to the Word of God However he failed to defend and demonstrate his thesis in the Scriptures he actually did not even use one Bible verse against Calvinism and in the supporting of his view which is some form of Arminianism My ultimate goal in this work is to open the hearts and eyes of Christians to a bigger view of God That is what Calvinism seeks to do Glorify God

Pentecostal and Charismatic Movements Arguments from the Margins Rocha Hutchinson and Openshaw argue that Australia has made and still makes important contributions to how Pentecostal and charismatic Christianities have developed worldwide This edited volume fills a critical gap in two important scholarly literatures The first is the Australian literature on religion in which the absence of the charismatic and Pentecostal element tends to reinforce now widely debunked notions of Australia as lacking the religious tendencies of old Europe The second is the emerging transnational literature on Pentecostal and Charismatic movements This book enriches our understanding not only of how these movements spread worldwide but also how they are indigenised and grow new shoots in very diverse contexts *Worship in an Age of Anxiety* J. Richard Middleton,2013-08-12 The project of developing a contextual theology for the Caribbean was first articulated in the early 1970s in Trinidad and Jamaica In the years since many evangelical churches and theologians in the Caribbean have been ambivalent about the validity of this project assuming that an emphasis on context was somehow antithetical to the pure gospel But the crisis of the times along with a more mature hermeneutic has led to a re-evaluation of this assumption Here a group of evangelical Caribbean theologians enter the discussion with substantive proposals for how the gospel addresses the Caribbean context They are joined by other theologians from mainline Protestant and Catholic traditions in the Caribbean The result is an ecumenical dialogue on the diverse ways in which orthodox Christian faith may provide both

challenge and hope for the Caribbean context Half the essays in this volume were originally presented at the Forum on Caribbean Theology held in 2010 at the Jamaica Theological Seminary the rest were invited especially for this volume
