Invisible Victims: Missing and Murdered Indigenous Women Katherine McCarthy,RJ Parker Ph.D.,2016-07-10 Indigenous women and girls are more likely to suffer extreme violence than other women They are more likely to disappear and never be seen again And sadly they are more likely to be murdered by a serial killer For decades it has been Canada s dirty little secret Then in 2014 the horrific murders of Loretta Saunders and Tina Fontaine made headlines across Canada ignited widespread outrage and exposed Canada s national shame So why is the level of violence towards Indigenous women reaching crisis levels Centuries of discrimination long term effects of the dreadful residential school era and many other appalling government approved practices have resulted in widespread racism towards Indigenous people Attempts at genocide didn t cease centuries ago like many believe They just became more subtle Invisible Victims is a shocking work that shines a spotlight on the Missing and Murdered Indigenous Women tragedy in Canada its root causes and several cases It also includes serial killers who specifically targeted Indigenous women as victims as a direct result of indifference on the part of Canada s law enforcement media and government

Self Publish a Book in India Dr K Chaudhry, Content of this book defies my own 2-point advice to authors: 1. Never publish your own book. A professional publisher has their own network of clients. Your book may land in many libraries and many bookseller shops soon after it is printed. 2. Never distrust your publisher. Royalty paid to Authors is the main factor behind success stories of well-settled publishers. Publishers with holding Authors' shares come and go; they generally don't settle in business. In case you have irresistible apprehensions against a publisher, first divorce that publisher. You gain little in canvassing against a publisher. A genuine publisher invests their own money. The Author is supposed to be paid and not to pay. Around 1968, my publisher Jaypee Brothers provided me a ream of paper, pens, ink, pencils I used for writing manuscript.
