**Eating Asian America** Robert Ji-Song Ku, Martin F Manalansan, Anita Mannur, 2013-09-23 Examines the ways our conceptions of Asian American food have been shaped Chop suey Sushi Curry Adobo Kimchi The deep associations Asians in the United States have with food have become ingrained in the American popular imagination So much so that contentious notions of ethnic authenticity and authority are marked by and argued around images and ideas of food Eating Asian America A Food Studies Reader collects burgeoning new scholarship in Asian American Studies that centers the study of foodways and culinary practices in our understanding of the racialized underpinnings of Asian Americanness It does so by bringing together twenty scholars from across the disciplinary spectrum to inaugurate a new turn in food studies the refusal to yield to a superficial multiculturalism that naively celebrates difference and reconciliation through the pleasures of food and eating By focusing on multi sited struggles across various spaces and times the contributors to this anthology bring into focus the potent forces of class racial ethnic sexual and gender inequalities that pervade and persist in the production of Asian American culinary and alimentary practices ideas and images This is the first collection to consider the fraught itineraries of Asian American immigrant histories and how they are inscribed in the production and dissemination of ideas about Asian American foodways

*Postfeminism, Postrace and Digital Politics in Asian American Food Blogs* Tisha Dejmanee, 2022-12-26 This book examines how Asian American women bloggers challenge dominant race and gender discourses through the practice of food blogging Asian American food blogs which situate recipes and food photography within the personal narratives and domestic spaces of Asian American women offer unique insights into the ways that hegemonic race and gender discourses are negotiated in quotidian life The genre s focus on food provides a particularly rich backdrop for this study as it necessarily implicates family histories gendered labour domestic spaces and the power dynamics of consumption These intimate digital texts therefore provide unique insights into the ways that postfeminist and postrace discourses are encountered in the individual s mundane experiences The author engages a critical cultural analysis of food blogs narratives images communities and platforms expressions of post race and feminism discourses are constrained by the commercial logics of this digital culture The author argues that while Asian American food blogs rarely present a sustained challenge to hegemonic identity representation the processes of reproduction and rupture that define this blogosphere consistently reveal the collective desire to push back against the limits of post identities This is a unique and fascinating study which is ideal reading for students and scholars of gender studies media studies cultural studies and sociology

**Chinese American Mothering** Andrea Louie, 2025-12-16 A journey from Chinese immigrant to U S Mother of the Year unpacks the roots of the model minority myth and its legacy In 1952 Toy Len Goon a Chinese immigrant widow who raised eight children while running their family laundry was selected as U S Mother of the Year by the American Mother s Committee of the Golden Rule Foundation In Chinese American Mothering Andrea Louie argues that Toy Len Goon s

selection for this honor was more than an acknowledgement of her having raised eight successful children while running a business rather she was chosen precisely because she was a Chinese American woman who could exemplify both the virtues of mothering and of American upward mobility Her selection for the Mother of the Year honor can only be understood within the context of shifting representations of Chinese Americans during the Cold War era and the accompanying assumptions about the strategic role that positive representations of Chinese Americans could have in extending U S influence in Asia Drawing upon immigration records interviews and secondary sources as well as her positionality as Toy Len Goon s granddaughter Louie tells an expanded version of Toy Len Goon s life story Ultimately Chinese American Mothering addresses themes of migration gender racialization Americanization and success through the evolving lens of the model minority myth
