critical theory with an introduction to Freudian methods of interpretation and shows how those methods have been transformed by recent developments in French psychoanalysis particularly by the influence of Jacques Lacan It explains how classical Freudian criticism tended to focus on the thematic content of the literary text whereas Lacanian criticism focuses on its linguistic structure redirecting the reader to the words themselves Concepts and methods are defined by tracing the role played by the drama of Oedipus in the development of psychoanalytic theory and criticism The essays cover a wide generic scope and are divided into three parts drama narrative and poetry Each is accompanied by explanatory headnotes giving clear definitions of complex terms *Literary News* ,1883 *The Literary News* ,1883 **The Plight of Feeling** Julia A. Stern,2008-04-15 American novels written in the wake of the Revolution overflow with self conscious theatricality and impassioned excess In *The Plight of Feeling* Julia A Stern shows that these sentimental melodramatic and gothic works can be read as an emotional history of the early republic reflecting the hate anger fear and grief that tormented the Federalist era Stern argues that these novels gave voice to a collective mourning over the violence of the Revolution and the foreclosure of liberty for the nation s noncitizens women the poor Native and African Americans Properly placed in the context of late eighteenth century thought the republican novel emerges as essentially political offering its audience gothic and feminized counternarratives to read against the dominant male authored accounts of national legitimation Drawing upon insights from cultural history and gender studies as well as psychoanalytic narrative and genre theory Stern convincingly exposes the foundation of the republic as an unquiet crypt housing those invisible Americans who contributed to its construction *A Gentler God* Doug Frank,2020-07-09 What is God like Is he the lofty Almighty of conservative religion with power to stop heartbreaking human holocausts and deadly natural disasters but who inexplicably declines to do so Is he the callous Judge offering the faithful a place in his heaven while summarily casting the faithless into everlasting hell Is he the vain King on his throne requiring us to stroke his ego by praising him unceasingly for his awesome power If this is the God we have been taught it is no wonder that many people have come to realize that they do not like let alone trust him The simple certainties of their childhood no longer make sense But the equally assured assertions of today s atheists also leave them cold They want a personal connection with God an honest faith that grows out of their own felt truth and touches them at the deepest levels of their being This book points the way It dismantles the angry punitive God of traditional Protestantism and beckons us toward a kinder more welcoming God This God does not ask us to grit our teeth and try our best to believe Instead this God meets us in our humanity inviting our hearts to respond in genuine trust and love **The Athenaeum** ,1852 **SECOLAS Annals** Southeastern Council on Latin American Studies,1985 Historicizing Anti-Semitism—Proceedings of the International Conference on the Post-September 11th New Ethnic/Racial Configurations in Europe and the United States: The Case of Anti-Semitism *Maison des Science de l'Homme (MSH) Paris, June 29-30, 2007* Mohammad H.
