LeRon Shults,1999 In recent years the theological writings of Wolfhart Pannenberg have exerted considerable influence However Pannenberg s work has also been criticized for not taking seriously the postmodern challenge to traditional conceptions of rationality and truth This volume by F LeRon Shults argues that the popular foundationalist reading of Pannenberg is a misinterpretation of his methodology and shows that in fact the structural dynamics of Pannenberg s approach offer significant resources for the postfoundationalist task of theology in our postmodern culture Shults begins by laying out the first comprehensive summary and interpretation of the emerging postfoundationalist model of theological rationality He then revisits Pannenberg s theological method and finds the German theologian to be a surprising ally in the quest to reconstruct a theological rationality along postfoundationalist lines In the course of his discussion Shults challenges views that see the future reason or history as the central concept of Pannenberg s thought and offers instead a new interpretation of Pannenberg s basic theological principle as understanding and explaining all things sub ratione Dei under the aspect of the relation to God an interpretation endorsed by Pannenberg himself in the book s foreword Shults also focuses on Pannenberg s unique way of linking philosophical and systematic theology and demonstrates how the underlying reciprocity of this method can carry over into the postfoundational concern to link hermeneutics and epistemology in the postmodern context      **The Rise and Fall of American Lutheran Pietism** Paul P. Kuenning,1988 The author s primary purpose is to describe the precise nature of American Lutheran Pietism and to discern its proper place in the history of Lutheranism The book examines leaders like Philip Spencer August Franke and Samuel Simon Schmucker The author also explores the complexities of whether the Lutheran Church in antebellum America would support antislavery positions like gradual emancipation or the immediacy of abolition      *The Emerging Church, Millennials, and Religion: Volume 1* Randall Reed,G.
