de Castro**

American Government And Politics Today 2015 2016 Only:

Manifesto for New Social Movements César Augusto Rossatto, 2019-10-01 The world is currently witnessing the emergence of a new context for education labor and transformative social movements Global flows of people capital and energy increasingly define the world we live in The multinational corporation with its pursuit of ever cheaper sources of labor and materials and its disregard for human life is the dominant form of economic organization where capital can cross borders but people can't Affirmative action democracy and human rights are moving in from the margins to challenge capitalist priorities of efficiency i.e. exploitation In some places the representatives of popular movements are actually taking the reins of state power Across the globe new progressive movements are emerging to bridge national identities and boundaries in solidarity with transnational class gender and ethnic struggles At this juncture educators have a key role to play The ideology of market competition has become more entrenched in schools even as opportunities for skilled employment diminish We must rethink the relationship between schooling and labor developing transnational pedagogies that draw upon the myriad social struggles shaping students' lives and communities Critical educators need to connect with other social movements to put a radically democratic agenda based on the principles of equity access and emancipation at the center of educational praxis Many countries in Latin America like in other continents are developing new alternatives for the reconstruction of social projects these emerging sources of hope are the central focus of this book Major historical change always starts with people's social movement Democracy can be one of the best political and social systems in the world but for it to work entails the sustainable participation of citizens Above all it requires that people be informed and critically educated since the quality of democracy depends on quality of education There are 2 kinds of power money and people If people exercise their agency they can be more powerful than money There are some organizing principles of social movements as don't do for others what they should do for themselves Saul Alinsky wrote Rules for Radicals A pragmatic primer for realistic radicals Mary Rogers Cold Anger A story of faith and power politics Michael Gecan Going Public An organizer's guide to citizen action and Ernesto Cortez's Industrial Area Foundation are all great sources for organized activism that do work I put some of these principles to the test and they produced positive results I was a founder and president of a union at my university and I lived my whole life as an activist and learned that we can do more together than alone Now we also have a new digital war with the Cambridge Analytica and Breitbart's fake news manipulation however we also have social justice hacktivism to counteract it as well as other democratic social media venues that critical thinkers and activists use The chapters in this book demonstrate the importance of widening and diversifying social movements at the same time emphasizes the need to build cohesive alliances among all the different fronts What some people think is impossible can become a transformed reality for those who dare attempt changing the world as global citizens

Beyond Refuge in Arab Detroit Yasmeen Hanoosh, Sally Howell, Andrew Shryock, 2025-03-04 Detroit's Arab and Chaldean communities in the balance between cultural vitality and precarity Detroit's Arab and Chaldean communities are now over a century old Their neighborhoods business districts and cultural influence continue to grow Whether Muslim or Christian Yemeni Iraqi Palestinian or Lebanese these Detroiters are building new lives and new worlds in distinctive spaces that cannot be described simply as immigrant or refugee religious or ethnoracial In *Beyond Refuge in Arab Detroit* a multidisciplinary team of nineteen contributors considers how these worlds are connected to other times and places and what new identities are emerging in them They explore US census counts local politics activism refugee resettlement patterns of racism and Islamophobia and tense interactions between new immigrants and the well established The contributors warn that despite its deep roots and dynamism Arab Detroit is at risk As its residents struggle for change on their own terms they no longer perceive greater Detroit as a sanctuary or temporary home but as a place where Arabs and Chaldeans can live permanently as citizens

Al-Qaeda & Islamic State: History, Doctrine, Modus Operandi and U.S. Strategy to Degrade and Defeat Terrorism Conducted in the Name of Sunni Islam Paul Kamolnick, Strategic Studies Institute, 2017-09-19 Dr Kamolnick's book is a meticulously documented investigation and comparison of the al Qaeda and the Islamic State across three key strategically relevant dimensions essential doctrine beliefs and worldview strategic concept including terrorist modus operandi and in the final chapter specific implications and recommendations for current U S Government policy and strategy Contents Belief System Creed Worldview Doctrine The Al Qaeda Organization Sunni Islamic Orthodoxy Sunni Salafism Fundamentalism The Muwahhidun Wahhabism Salafi Wahhabism Muslim Brotherhood Salafi Wahhabi The Base of the Jihad Al Qaeda From Qaidat Al Jihad to Bin Ladenism From Bin Ladenism Back to Qaidat Al Jihad Post Arab Spring Qaidat Al Jihad What is Qaidat Al Jihad In a Nutshell Fazul Abdullah and Adam Gadahn III Islamic State Organization Zarqawism vs AQO Abu Musab Al Zarqawi's Worldview and Doctrine 1989 June 7 2006 From Non Religious Violent Street Tough to Ultra Sectarian Salafi Wahhabi Jihadist Prison Tough 1980 1999 Al Zarqawi's Private Jihadi Armies of the Levant 1999 2004 The History Doctrines and Worldview of Abu Bakr Al Baghdadi's Caliphate From ISI to the Caliphate Brief Organizational History Self Proclaimed Emir Al Muminin Abu Bakr Al Hussaini Al Qurayshi Al Baghdadi The Caliphate Now The Final Solution to the Shia Problem Terrorist Modus Operandi Terrorist Quadrangle Analysis The Al Qaeda Organization The Classical Base First Bin Ladenist Lone Mujahid Far Enemy Strategy Islamic State Conclusions Implications

and Recommendations for U S Government Key Findings Belief Systems Worldviews Doctrines Creeds Strategies and Terrorist Modus Operandi Implications for U S Government Policy and Strategies Implications for Existing USG Policy and Strategy to Permanently Defeat AQ and its Affiliates Implications for Existing USG Policy and Strategy to Permanently Defeat the IS The Political Economy of China-Latin America Relations Alvaro Mendez,Mariano Turzi,2020-03-21 The book explores the ways in which Latin American states are capitalizing or failing to capitalize on the initiatives of China in world affairs The authors hypothesize that a dearth of regional agency and social construction and a consequent institutional deficit in foreign relations characterizes Latin America and its inadequate reaction to Chinese agency The volume includes multiple case studies from eight Latin American countries and discusses the Asian Infrastructure Investment Bank s initiatives and policies The book will interest scholars researchers policy makers foreign policy analysts and graduate students in Latin American and Asian politics as well as development studies and political economy **Michigan Government, Politics, and Policy** John S Klemanski,David A Dulio,2017-08-02 A comprehensive overview of how Michigan s government and political institutions function Islam and Security in the West Stefano Bonino,Roberta Ricucci,2021-04-26 What changes have the terrorist attacks on the United States in 2001 and the subsequent attacks in Europe brought to Western societies In what ways have these events and their aftermath impacted on the relationships between Muslim communities and Western societies This book explores the remaking of the relationship between Islam and Islamism on the one hand and security and securitization on the other hand by arguing that 9 11 and its aftermath have led to the opening of a new phase in Western and European history and have remade the relationship between Islam and governmental and societal approaches to security The authors utilize case studies across the Western world to understand this relationship *Cyberwars in the Middle East* Ahmed Al-Rawi,2021-07-16 Cyberwars in the Middle East argues that hacking is a form of online political disruption whose influence flows vertically in two directions top bottom or bottom up or horizontally These hacking activities are performed along three political dimensions international regional and local Author Ahmed Al Rawi argues that political hacking is an aggressive and militant form of public communication employed by tech savvy individuals regardless of their affiliations in order to influence politics and policies Kenneth Waltz s structural realism theory is linked to this argument as it provides a relevant framework to explain why nation states employ cyber tools against each other On the one hand nation states as well as their affiliated hacking groups like cyber warriors employ hacking as offensive and defensive tools in connection to the cyber activity or inactivity of other nation states such as the role of Russian Trolls disseminating disinformation on social media during the US 2016 presidential election This is regarded as a horizontal flow of political disruption Sometimes nation states like the UAE Saudi Arabia and Bahrain use hacking and surveillance tactics as a vertical flow top bottom form of online political disruption by targeting their own citizens due to their oppositional or activists political views On the other hand regular hackers who are often politically independent practice a form of bottom top political disruption to address issues

related to the internal politics of their respective nation states such as the case of a number of Iraqi Saudi and Algerian hackers In some cases other hackers target ordinary citizens to express opposition to their political or ideological views which is regarded as a horizontal form of online political disruption This book is the first of its kind to shine a light on many ways that governments and hackers are perpetrating cyber attacks in the Middle East and beyond and to show the ripple effect of these attacks *The Logic of American Politics* Samuel Kernell, Gary C. Jacobson, Thad Kousser, Lynn

Vavreck, 2017-02-27 This new edition of the bestselling *The Logic of American Politics* is thoroughly updated and covers the dramatic 2016 election results with a thorough analysis of those results It arms students with a revised introduction to institutional design that makes concepts such as command veto agenda control voting rules and delegation easier for students to master and apply so they clearly see how the American political system was devised and why it works the way it does Authors Samuel Kernell Gary C Jacobson Thad Kousser and Lynn Vavreck build students critical thinking through a simple yet powerful idea politics is about solving collective action problems This new edition continues to delve into partisan differences among voters and in government and highlight the increasingly partisan nature of campaigns By exploring issues such as the Affordable Care Act s troubled implementation the increasing legalization of marijuana and same sex marriage in the states and the debate over immigration the book illustrates how the institutional structures of government federalism and even campaigns can help voters make sense of their choices The concluding chapter on policymaking examines the noticeable logic that guides American policy as shown through issues like health care reform global climate change and the federal budget Students glean insights into the sources of policy problems identify possible solutions and realize why agreement on those solutions is often so hard to achieve *Drones and International Law* Rebecca

Mignot-Mahdavi, 2023-07-13 The technological characteristics of drones together with the law have been instrumental in expanding warfare in time and space in the counter terrorism context ***The Statesman's Yearbook 2025*** Palgrave

Macmillan, 2025-01-10 Now in its 161st edition *The Statesman's Yearbook* continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions *American Government in Black and White* Paula Denice

McClain, Steven C. Tauber, 2025 *American Government in Black and White Diversity and Democracy* Seventh Edition is a unique introduction to American government that uses racial and ethnic equality as its underlying theme Through the course of teaching students the standard topics about the American governmental system and politics authors Paula D McClain and Steven C Tauber address issues of inequality in major facets of government including the U S Constitution key American political institutions and instruments of political behavior and the making of public policy Using the original voices of racial and ethnic actors in our nation s history they show students how to measure and evaluate the quest for and importance of equality in America from its founding up to today ***American Government*** Scott F. Abernathy, 2018-11-14 The main

strength of this book is that it presents a human side to American Government that challenges students to think critically while still presenting the teaching side with objectives self tests and chapter reviews Kathleen Barrett University of West Georgia In the Second Edition of American Government author Scott F Abernathy tunes in to the voices of all Americans showing how our diverse ideas shape the way we participate and behave the laws we live by and the challenges we face From the Constitutional Convention to Ferguson Missouri each chapter features rich personal narratives that illustrate how the American political system is the product of strategies calculations and miscalculations of countless individuals It focuses on real people the actions they take the struggles they face and how their choices influence outcomes The key concepts are memorable because they are tied to real politics where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas Participation is at the heart of this groundbreaking new text with ample background on how and why to participate Not only will all students see themselves reflected in the pages but they will come to understand that they too are strategic players in American politics with voices that matter A Complete Teaching and Learning Package SAGE Vantage Digital Option Engage Learn Soar with SAGE Vantage an intuitive digital platform that delivers American Government Second Edition textbook content in a learning experience carefully designed to ignite student engagement and drive critical thinking Built with you and your students in mind it offers easy course set up and enables students to better prepare for class Contact your rep to learn more Assignable Video Assignable Video available on the SAGE Vantage platform is tied to learning objectives and curated exclusively for this text to bring concepts to life and appeal to different learning styles Watch a sample video now SAGE Coursepacks FREE Easily import our quality instructor and student resources content into your school s learning management system LMS and save time Learn more SAGE Edge FREE online resources for students that make learning easier See how your students benefit SAGE course outcomes Measure Results Track Success Outlined in your text and mapped to chapter learning objectives SAGE course outcomes are crafted with specific course outcomes in mind and vetted by advisors in the field See how SAGE course outcomes tie in with this book s chapter level objectives at edge.sagepub.com/abernathy2e CQ Press Lecture Spark Designed to save you time and ignite student engagement these free weekly lecture launchers focus on current event topics tied to key concepts in American government Access this week s topic Free poster What can you do with a Political Science degree Download a poster that you can print to hang in your classroom email to colleagues or share on social media Looking for the AP Edition Learn more about the brief text specifically tailored for the new AP framework and exam Contact your rep to learn more

The Trumping of America Pamela Hines, 2018-08 Trump alone is not to blame How does it reflect on North American societal values when wealth trumps humanity selfish individualism trumps compassion the need to be entertained and to win trumps the truth and racism and misogyny are rewarded with the most powerful position in the world The political rise of Donald Trump from the cutthroat Republican primary process to his move to the White House has ushered in a new age of

politics in the United States This is a comprehensive analysis of the events surrounding the 2016 presidential election and the unprecedented first year of Donald Trump's presidency Pamela Hines highlights the growing distortion of American democracy which threatens political systems around the world As a Canadian living just across the border Hines provides a unique perspective on the international impact of the election explores the roles of religion racism nationalism and gender bias and critiques the media and its reckless coverage of Trump's ascension The Trump presidency is a wake up call to citizens of the free world Democracy is at risk yet power remains in the hands of the people This assault on democracy can be curtailed only if voters make informed decisions and understand the consequences of their choices while they still have the right to choose

Trump Was a Joke Sophia A McClennen, 2023-03-24 Written by a scholar of satire and politics Trump Was a Joke explains why satire is an exceptional foil for absurd political times and why it did a particularly good job of making sense of Trump Covering a range of comedic interventions Trump Was a Joke analyzes why political satire is surprisingly effective at keeping us sane when politics is making us crazy Its goal is to highlight the unique power of political satire to encourage critical thinking foster civic action and further rational debate in moments of political hubris and hysteria The book has been endorsed by Bassem Youssef who has been referred to as the Jon Stewart of Egypt and Srdja Popovic author of Blueprint for Revolution who used satirical activism to bring down Serbian dictator Slobodan Milosevic With a foreword by award winning filmmaker satirist and activist Michael Moore this study will be of interest to readers who follow politics and enjoy political comedy and will appeal to the communications comedy studies media studies political science rhetoric cultural studies and American studies markets

Research Anthology on Social Media's Influence on Government, Politics, and Social Movements Management Association, Information Resources, 2022-08-26 The advent of social media has had varying effects across fields industries and governments As more individuals rely on this technology its uses continue to develop and expand Social media has forever changed the way in which politics are discussed social movements are formed and how governments interact with the public To fully understand the future of social media further study is required The Research Anthology on Social Media's Influence on Government Politics and Social Movements investigates how social media is used within governments as well as the history behind the technology The book also examines best practices tactics and challenges associated with utilizing social media platforms for social movements Covering key topics such as communication interactive technology and social change this major reference work is ideal for government officials industry professionals policymakers administrators business owners managers researchers academicians scholars practitioners instructors and students

Security after Christendom John Heathershaw, 2024-02-13 We live in the wealthiest and most heavily defended world in history so why do we feel so insecure In a secular world what does Christian theology have to say about this problem Security after Christendom combines practical examples social scientific research and an ecumenical approach to political theology to answer these questions It argues that Christendom was a plural phenomenon of imagined security communities

of East and West whose unravelling continues to have implications for global politics today as dramatically illustrated by Russia's war in Ukraine. While notions of a new Christendom are idolatrous and delusional, secular imaginaries of national security or the liberal international order are both destructive and unstable. True security, radical inclusion, nonviolent protection and abundant provision is an eschatological phenomenon inaugurated by Christ. Security after Christendom is neither found in faithful government nor an exclusive church as polis approach but in relations of tension where the fallen powers are continuously confronted by prophetic practices. A post Christendom community expresses its love for the world by seeking its security providentially limiting the disorders of the secular age and offering glimmers of a new earth.

Contemporary U.S.-Latin American Relations Jorge I. Domínguez, Rafael Fernández de Castro, 2016-03-02 Drawing on the research and experience of fifteen internationally recognized Latin America scholars, this insightful text presents an overview of inter American relations during the first two decades of the twenty first century. This unique collection identifies broad changes in the international system that have had significant effects in the Western Hemisphere including issues of politics and economics, the securitization of U.S. foreign policy, balancing U.S. primacy, the wider impact of the world beyond the Americas, especially the rise of China and the complexities of relationships between neighbors. The second edition of *Contemporary U.S. Latin American Relations* focuses on U.S. neighbors near and far: Mexico, Cuba, Argentina, Brazil, Chile, Colombia, Peru, and Venezuela. Each chapter addresses a country's relations with the United States and each considers themes that are unique to that country's bilateral relations as well as those themes that are more general to the relations of Latin America as a whole. The book also features new chapters on transnational criminal violence, the Latino diasporas in the United States, and U.S. Latin American migration. This cohesive and accessible volume is required reading for Latin American politics students and scholars alike.

Korea's Middle Power Diplomacy Seungjoo Lee, Sangbae Kim, 2022-05-17 This volume discusses Korea's role as a middle power in the midst of the 21st century global power shift. Focusing on Korea's middle power diplomacy from the perspective of coalition building, the book discusses structural factors that shape middle power strategy and diplomacy. Written by leading Korean researchers, the chapters use diverse methodologies to offer a range of perspectives on Korea's place in the developing global order. Topics discussed include South Korea's approach to technology policy in the midst of U.S.-China cyber competition, the East Asian Thucydides Trap, MITKA and middle power diplomacy, Korea's role in the South China Sea dispute and South Korean cyber security. Providing a unique treatment of middle power opportunities and motivations in the East Asia region, this volume will be of interest to students and scholars of international relations, Asian politics, diplomacy, security studies, and global governance.

Obama's Legacy Michael I. Days, 2016-09-13 As President Obama's time in the White House draws to a close, this celebratory book documents his transformative accomplishments. Evidence indicates President Barack Obama has been tremendously successful and effective by objective measures. On economic indicators alone, he is credited with the longest streak of job growth in U.S. history, a two

thirds reduction in the federal budget deficit and the rebounding of the stock market to record highs following the record lows of the recession under his predecessor His victories have come against a backdrop of criticism and sometimes open defiance from conservatives lack of cooperation in Congress and racially tinged commentary in traditional and social media Through it all the President who campaigned on a slogan of Yes We Can has persevered in his determination to make a difference and left an indelible mark on American politics and the world Legacy is a commemoration of his eight years in the White House

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **American Government And Politics Today 2015 2016 Only**

In a global inundated with displays and the cacophony of quick interaction, the profound energy and psychological resonance of verbal art usually diminish in to obscurity, eclipsed by the continuous assault of sound and distractions.
