Oswalt, 2016-02-19 Fully revised and updated with the latest data in the field the Sixth Edition of *Exploring the Dimensions of Human Sexuality* represents all aspects of human sexuality and explores how it affects personality development and decision making Using a student friendly interpersonal approach the text discusses contemporary concepts as well as controversial topics in a sensitive manner and covers the physiological biological psychological spiritual and cultural dimensions of human sexuality *Exploring the Dimensions of Human Sexuality* is an essential text for teaching sexuality and presents an integrated view of human sexuality that encourages students to pursue positive decisions sexual health and a lifetime of wellness

Florida's Minority Trailblazers Susan MacManus, 2016-11-21 Saves a piece of Florida political history by narrating the personal stories of the state s minority trailblazers from the Civil Rights Movement to the present day Richard E Foglesong author of *Immigrant Prince* Mel Martinez and the American Dream Captures Florida s ongoing political transition from a yellow dog lily white state to one where diversity is beginning to make an impact on politics Doug Lyons former senior editorial writer South Florida Sun Sentinel Florida experienced a population surge during the 1960s that diversified the state and transformed it into a microcosm of the nation but discrimination remained pervasive With the passage of the Civil Rights Act of 1964 and the Voting Rights Act of 1965 along with later rulings on redistricting and term limits the opportunity to participate in government became more and more possible for previously silenced voices Drawing primarily from personal interviews Susan MacManus recounts the stories of the first minority men and women both Democrat and Republican who were elected or appointed to state legislative executive and judicial offices and to the U S Congress since the 1960s She reveals what drove these leaders to enter office how they ran their campaigns what kinds of discrimination they encountered what rewards each found during their terms and what advice they would share with aspiring

politicians In addition to the words of the officeholders themselves MacManus provides helpful timelines photos biographical sketches of each politician and election results from path breaking victories The book also includes comprehensive rosters of minority individuals who have held state offices and those who have gone on to represent Florida in the federal government Full of inspiring stories and informative statistics Florida s Minority Trailblazers is an in depth rendering of personal struggles guided by opportunity ambition and idealism that have made Florida the vibrant diverse state it is today Susan A MacManus is Distinguished University Professor in the Department of Government and International Affairs at the University of South Florida and the coauthor of Politics in Florida and Politics in States and Communities A volume in the series Florida Government and Politics edited by David R Colburn and Susan A MacManus

Manufacturing the Enemy Keith Bolender, 2019-09-20 Mainstream media in the United States for the past 60 years has converged with the neo colonial foreign policy objectives of the state to create a misinformed biased narrative against the Cuban revolution Using extensive examples including pre revolutionary historic coverage journalist Keith Bolender reveals how the national press has established an anti Cuba chronicle in adherence to Washington s unrelenting regime change policies From coverage of the Bay of Pigs Cuban Missile Crisis the Cuban Five and the current issues of Obama s Cuban Thaw in 2014 to the renewed hostility under the Trump Administration the edition examines with specific clarity how damaging corporate media treatment of Cuba is to the understanding of the revolution and those who continue to support it This original treatment scrutinises the foundation for the media s hostility against Cuba s socialist political economic system providing new insight into the propaganda workings of the so called free press in the US and across Western liberal democracies The work is a unique resource for activists journalists and students interested in the ever complicated relationship between the United States and its island neighbour to the south

U.S. Foreign Policy Steven W. Hook, 2015-12-18 The same aspects of American government and society that propelled the United States to global primacy have also hampered its orderly and successful conduct of foreign policy This paradox challenges U S leaders to overcome threats to America s world power in the face of fast moving global developments and political upheavals at home The fully updated Fifth Edition of Steven W Hook s U S Foreign Policy The Paradox of World Power explores this paradox identifies its key sources and manifestations and considers its future implications as it asks whether U S foreign policymakers can manage these dynamics in a manner that preserves U S primacy

American Government Cal Jillson, 2025-01-30 How politics in America works today how it got that way and how it s likely to change through reform these are the themes that pervade every chapter of Cal Jillson s highly lauded American Government Political Development and Institutional Change Even in the midst of current challenges America s past is present in all aspects of the contemporary political system Jillson uses political development and the dynamics of change as a thematic tool to help students understand how politics works now and how institutions participation and policies have evolved over time to produce the contemporary political environment In addition Jillson helps students think critically about

how American democracy might evolve further focusing in every chapter on reform and further change New to the Thirteenth Edition Assesses the results of the Biden administration and the impact on the 2024 campaign of Biden s unexpected replacement by Kamala Harris at the top of the ticket Describes numerous ways in which the American political system has been affected by recovery from the Covid 19 pandemic the demise of Roe v Wade inflation and the border Assesses the implications of the January 6 2021 attack on the Capitol the Trump trials and what they mean for our political culture and partisan politics Assesses the implication of fake news and the move to mobile for our politics Explores the evidence for increasing polarization in public opinion voting behavior and the work of Congress and the courts Details the impact that the Russian invasion of Ukraine and the war in Israel and Gaza had on U S foreign policy and national security alliances

Keeping the Republic Christine Barbour, Gerald C. Wright, 2016-11-19 This refreshed and dynamic Eighth Edition of Keeping the Republic revitalizes the twin themes of power and citizenship by adding to the imperative for students to navigate competing political narratives about who should get what and how they should get it The exploding possibilities of the digital age make this task all the more urgent and complex Christine Barbour and Gerald Wright the authors of this bestseller continue to meet students where they are in order to give them a sophisticated understanding of American politics and teach them the skills to think critically about it The entire book has been refocused to look not just at power and citizenship but at the role that control of information and its savvy consumption play in keeping the republic

Debating the Obama Presidency Steven E. Schier, 2016-09-22 This is the first book to present both the arguments for and against Barack Obama s presidency and its policies In it prominent political scientists and Washington think tank scholars address Obama s domestic economic and foreign policies and his political legacy Contrasting perspectives assess the consequences of the large aspirations of the Obama presidency and the political and policy challenges Obama encountered in the pursuit of those aspirations Barack Obama s project in the White House involved installing lasting changes in national policy and politics Institutionally the Obama administration sought to preserve control of Congress through maintenance of reliable partisan Democratic majorities and enhance influence over the federal courts through a steady stream of liberal judicial appointees The administration sought increased autonomy over the executive branch by a reorganizations spawned by a national economic crisis and an ambitious domestic policy agenda

Politically the Obama administration sought the entrenchment of consistent Democratic electoral majorities. Such large ambitions have generated enduring controversies surrounding his presidency, controversies that receive a full airing and debate in this volume. Contributions by Alan I. Abramowitz, Emory University; Andrew E. Busch, Claremont McKenna College; Peter Juul, Center for American Progress; Lawrence Korb, Center for American Progress; William G. Mayer, Northeastern University; Ruth O'Brien, City University of New York Graduate Center; John J. Pitney Jr., Claremont McKenna College; Danielle Pletka, American Enterprise Institute; Daniel E. Ponder, Drury University; Steven E. Schier, Carleton College; Raymond Tatalovich, Loyola University Chicago; and John Kenneth White, Catholic University of America. The Precarious Generation, Judith Bessant, Rys Farthing, Rob Watts, 2017-05-08. This book draws on a wealth of evidence including young people's own stories to document how they are now faring in increasingly unequal societies like America, Britain, Australia, France, and Spain. It points to systematic generational inequality as those born since 1980 become the first generation to have a lower standard of living than previous generations. While governments and experts typically explain this by referring to globalization, new technologies, or young people's deficits, the authors of this book offer a new political economy of generations which identifies the central role played by governments promoting neoliberal policies that exacerbate existing social inequalities based on age, ethnicity, gender, and class. The book is a must read for social science students, human service workers, and policy makers and indeed for anyone interested in understanding the impact of government policy over the last 40 years on young people.

America in the Age of Trump, Douglas E. Schoen, Jessica Tarlov, 2017-07-04. *America in the Age of Trump* is a bracing essential look at the failure of a great nation to meet the needs of its people and the challenges of the age and the resulting collapse of public trust in government as well as a pervasive crisis of national values from broken families to a loss of faith in the American idea itself. This crisis of values occurs just as the country faces an unprecedented array of fiscal, economic, social, and national security challenges out of control: federal spending, frighteningly large deficits, massive gaps of income and opportunity, cultural division, and a dangerous world in which American power seems increasingly incidental. In *America in the Age of Trump*, Douglas E. Schoen and Jessica Tarlov offer a definitive and unique assessment of a nation in turmoil, looking beneath well-known problems to identify underlying yet poorly understood causes. Readers will confront the crises one by one: of trust, values, and governance of education, economic opportunity, and fiscal solvency of national security, domestic tranquility, and race relations. *America in the Age of Trump* gathers in one place a clear and comprehensive evaluation of the fundamental issues confronting the American future while offering bold, fresh approaches to meeting these challenges. Other books have described the specter of American decline, but none has been so comprehensive in its diagnosis or forward-looking and non-ideological in its remedies, explaining how we might yet overcome national self-doubt to reclaim our traditional optimism, reassert our place in the world, and secure a prosperous future for our citizens. *Powering Forward*, Bill Ritter, Jr., 2016-03-15. A historic energy revolution is underway in the United States. Wind, sunlight, and other sustainable

resources are now the fastest growing sources of energy in the U S and worldwide American families are installing power plants on their roofs and entire communities are switching to 100 percent renewable energy The urgent need to prevent climate change is causing people around the planet to question their reliance on carbon intensive oil coal and natural gas Author Bill Ritter Jr the 41st governor of Colorado and one of America s key thought leaders on this topic discusses the forces behind the energy revolution the new ways we must think about energy and the future of fossil and renewable fuels It is an essential read for any who want to understand one of history s biggest challenges to peace prosperity and security in the United States Written in partnership with the Center for a New Energy Economy

Adopting the Melody of Phrase: An Psychological Symphony within **American Government And Politics Today Brief Edition 2014 2015**

In some sort of taken by monitors and the ceaseless chatter of quick interaction, the melodic elegance and mental symphony developed by the published word frequently diminish into the backdrop, eclipsed by the relentless sound and interruptions that permeate our lives. Nevertheless, set within the pages of **American Government And Politics Today Brief Edition 2014 2015** a marvelous fictional treasure brimming with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this fascinating masterpiece conducts viewers on a psychological trip, well unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the moving review, we will explore the book is key harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
