Orentlicher,2013-03-11 Can Orentlicher be serious in calling for a plural executive The answer is yes and he presents thoughtful and challenging arguments responding to likely criticisms Any readers who are other than completely complacent about the current state of American politics will have to admire Orentlicher s distinctive audacity and to respond themselves to his well argued points Sanford Levinson author of Framed America s 51 Constitutions and the Crisis of Governance In this refreshingly provocative book David Orentlicher explains why it is due time for us to reconsider dominant ideas about the presidency now arguably our most powerful political institution William E Scheuerman Indiana University When talking heads and political pundits make their What s Wrong with America lists two concerns invariably rise to the top the growing presidential abuse of power and the toxic political atmosphere in Washington In Two Presidents Are Better Than One David Orentlicher shows how the imperial presidency and partisan conflict are largely the result of a deeper problem the Constitution s placement of a single president atop the executive branch Accordingly writes Orentlicher we can fix our broken political system by replacing the one person one party presidency with a two person two party executive branch Orentlicher contends that our founding fathers did not anticipate the extent to which their checks and balances would fail to contain executive power and partisan discord As the stakes in presidential elections have grown ever higher since the New Deal battles to capture the White House have greatly exacerbated partisan differences Had the framers been able to predict the future Orentlicher argues they would have been far less enamored with the idea of a single leader at the head of the executive branch and far more receptive to the alternative proposals for a plural executive that they rejected Analyzing the histories of other countries with a plural executive branch and past examples of bipartisan cooperation within Congress Orentlicher shows us why and how to implement a two person two party presidency Ultimately Two Presidents Are Better Than One demonstrates why we need constitutional reform to rebalance power between the executive and legislative branches and contain partisan conflict in Washington David Orentlicher is Samuel R Rosen Professor at Indiana University Robert H McKinney School of Law A scholar of constitutional law and a former state representative David also has taught at Princeton University and the University of Chicago Law School He earned degrees in law and medicine at Harvard and specializes as well in health care law and ethics **The Nazi Hydra in America** Glen Yeadon,2008 This book exposes how
