You Were More like Me* John Ortberg, 2017-10-03 I d Like You More If You Were More like Me takes on one of life s most
important questions How can I get closer to God and other people We were created for deep connections When people have
deep connections says John Ortberg they win in life When they don t have deep connections they cannot win in life I d Like
You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections the
fact that we re so different Different from God and different from each other The good news is that connectedness is not
based on similarity but on shared experiences When one person invites another to share an experience they re connected It
can be sharing a beautiful sunset or a meal having a great conversation over cup of coffee going for walk or even teasing
somebody And when we share those same experiences with God we get closer to him too God wants to connect with us so
much that he sent his son to live as a human being God took on flesh and shared every human experience So we don t have to
wonder what a close relationship with God looks like anymore An intimate relationship with God and other people doesn t
have to be a cliché it can be a daily way of life *The Ladies' Home Journal* ,2004-02 *The Courier* ,2004 Rosie ,2002
