everyone agreed with Gandhi and his ideals As a result a plot to assassinate Gandhi was devised by six individuals named Narayan Apte Gopal Godse Madanlal Pahwa Digambar Badge and Nathuram Godse This was eventually carried out in New Delhi on the 30th of January 1948 Eventually these six individuals were tried and convicted Four of them received life sentences while two of them received the death penalty The first publication of The Men Who Killed Gandhi occurred in 1978 during the Emergency years As a result Malgonkar omitted many vital facts including Dr Ambedkar s role in minimizing Savarkar s criminal conviction This 11th edition of the text contains these omitted facts as well as rare documents and photographs obtained from National Archives After the four individuals who were convicted for Gandhi s murder completed their life sentences they were interviewed by Malgonkar These individuals revealed many details to him which were never known before The author also received access to the Kapur Commission from his friend Mr Nayar who was in the Indian Police Service As a result The Men Who Killed Gandhi is considered the most historically accurate account of Gandhi s assassination plot
