Ebook Mindfulness Meditation:

EBOOK: A Beginner's Guide to Mindfulness: Live in the Moment Ernst Bohlmeijer, Monique Hulsbergen, 2013-05-16 While the concept of living in the moment seems simple the reality is often entirely different as our minds chatter and fret and rarely stand still Fortunately Ernst Bohlmeijer and Monique Hulsbergen have written a clear and reassuring guide to mindfulness and ACT with illuminating exercises and a wealth of information about how our minds work But more than this it is also a guide to living a more contented life as the reader is encouraged to search out and live a life guided by their most deeply held values It is an uplifting read Rebecca Alexander executive coach The Coaching Studio and Contributing Editor Psychologies Ernst and Monique have written a wonderful self help guide Full of interesting anecdotes helpful case studies and useful techniques this is a book which teaches us how to lead a more fulfilled life Dr Rick Norris Consultant Psychologist and author of Think Yourself Happy the simple 6 stage programme to change your life from within Life is not easy There are times when we are full of gloom doubt fear bitter disappointment or insecurity This practical book will help you to experience greater freedom and quality in your life and teach you how to cope with stressful situations Combining mindfulness and Acceptance and Commitment Therapy ACT exercises in an accessible 9 week programme Bohlmeijer and Hulsbergen show you how to observe your thoughts without judgement and connect with the here and now in your life By spending a few minutes a day you will discover what really matters to you in life and learn to base your day to day actions on your values Learn how to live in the moment with this step by step guide to mindfulness and walk away from fighting difficult emotions You will find peace and greater joy as well as reduced anxiety and stress With illustrations by Helen van Vliet Mindfulness is a form of meditation that originated in Buddhist practice A recent development is Mindfulness Based Stress Reduction or MBSR which is now being used successfully in treating a range of clinical conditions including the relief of stress and anxiety in cancer The new book A Beginner's Guide to Mindfulness by Ernst Bohlmeijer and Monique Hulsbergen is a most valuable addition to the literature It is written with authority by two distinguished and experienced psychologists and contains a wealth of information written in easily understood English The book also contains useful exercises for people to work through I recommend this book highly especially to anyone trying to help themselves deal with physical or psychological illness Professor Jane Plant Imperial College London UK and author of international bestseller Your Life in Your Hands Being a human being includes difficulties The authors take this simple fact of life blend their personal experiences a model of mindfulness scientific evidence and a bit of humour From this they create a book of wisdom inspiration and practical steps for living Lance M McCracken Professor of Behavioural Medicine King's College London UK This is clearly one of the best mindfulness books for beginners You can put it directly into the hands of your clients with no explanations Clearly a very user friendly book to have in your clinic JoAnne Dahl Professor of Psychology Uppsala University Sweden This is a very useful book for anyone wanting to find more meaning and satisfaction in life It blends exercises and metaphors from several

mindfulness based therapies in a user friendly self help format Ruth Baer Professor of Psychology University of Kentucky USA Bohlmeijer and Hulsbergen s A Beginner s Guide to Mindfulness provides an accessible and practical route to create more well being They have convinced me with their research and this volume that they are serious about helping more people flourish in life Anybody interested in flourishing should read this book and more importantly practice what they preach Corey Keyes Professor of Sociology Emory University Atlanta Georgia USA **Wherever You Go, There You Are** Jon Kabat-Zinn,2023-12-05 Find quiet reflective moments in your life and reduce your stress levels drastically with this classic bestselling guide updated and featuring a new introduction and afterword When Wherever You Go There You Are was first published in 1994 no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 1 million copies to date Thirty years later Wherever You Go There You Are remains a foundational guide to mindfulness and meditation introducing readers to the practice and guiding them through the process The author of over half a dozen books on mindfulness Jon Kabat Zinn combines his research and medical background with his spiritual knowledge to help readers find peace and change their lives In this new edition readers will find a new introduction and afterword from Kabat Zinn as well as factual updates throughout to address changes in research and knowledge since it was originally published After the special tumult of the last few years as well as the promise of more unrest in the future Wherever You Go There You Are serves as an anchor for a whole new generation of readers looking to find their center and achieve their true self

Meditation And Mindfulness Daniel Emotion,2019-09-18 If you have a problem understanding your inner self and getting along with others then this is the best book for you Did you know that when you meditate your inner spirit becomes contagious and you can enjoy better relationships and more Do you respond positively to any of the following You are suffering from mental pain and anxiety and you don t know what is causing it You are experiencing stressful situations that are making it hard for you to enjoy your life You cannot connect to other people and most of the time you find yourself staring blankly at them You even have no idea what they are saying most of the time You cannot focus on anything that you put your mind to do the mind constantly strays off to other things that aren t vital to that moment You have a chattering voice in your head that just cannot leave you alone You feel like you need to give the voice a little break You aren t aware of your actions as well as your thoughts and you are always regretting some actions and decisions that you take Your thoughts are always on a roll and you don t have the capacity to determine what thoughts are true and what are bollocks You have very little control over your emotions and you cannot express them freely most of the time You find it hard dealing with adverse situations that require you to think everything over You wish to slow down the pace of your life When you are going through this you need to have a solution and this solution comes in the book What You Expect from the Book Understand what meditation is and what it means to meditate Understand the benefits of meditation and mindfulness How it works and why it is so vital The different types of meditation techniques that will get you to the goals you are after You won t just learn about one or two meditation

techniques but a total of 11 way more than what the other books on the market give you Each method is detailed with examples You read about meditation in practice right from walking meditation to mindfulness meditation and how they apply to tension headaches sleep negative attitudes and muscle relaxation We look at the various group meditation techniques and how you can benefit from them We also look at meditation while on the go You get to learn about meditation in society and how it affects schools leadership and the workplace In short this is a package that will get you from zero to hero The book is divided into chapters that make it easy to read and understand It takes time to learn to meditate but the book gives you all you need to start and work on it When the time is right you will enjoy so many benefits that will make you an expert of meditation and mindfulness So if you want to be a master on meditation and mindfulness click Add to Cart now

Capturing Mindfulness Matthew Johnstone, 2014-06-19 There are few better ways to consciously slow down and truly engage with your surroundings than when you are armed with a camera With Capturing Mindfulness de stressing and being in the moment needn't be limited to simple diary keeping and fill in journals instead you can capture it with your lens Bestselling author Matthew Johnstone's latest book Capturing Mindfulness is a natural follow on from his last book Quiet the Mind which came out in 2012 Matthew has been practicing what he terms photopresent for the last 15 years and believes that next to meditation this is one of the most creative and enjoyable ways to attain mindfulness in day to day life The very essence of photography after all is all about focus and capturing the moment Matthew is fascinated by light colour composition and most importantly how he can see the world differently For him having camera in your hands is the reminder to consciously slow everything down from your breath to your walk to your thoughts and begin to really observe your surroundings as if seeing them for the first time Mindfulness photography is about seeing something that no one else can capturing something that will never happen again and finding beauty where it doesn't typically exist When we become more consciously aware of where we are what we're doing and what we're thinking life can become calmer more enjoyable and generally more manageable
