Handbook of Research on Media Literacy in the Digital Age Yildiz, Melda N., Keengwe, Jared, 2015-12-02. With the current ubiquity of technological tools and digital media having the skillset necessary to use and understand digital media is essential. Integrating media literacy into modern day education can cultivate a stronger relationship between technology educators as well as students. The *Handbook of Research on Media Literacy in the Digital Age* presents key research in the field of digital media literacy with a specific emphasis on the need for pre-service and in-service educators to become familiar and comfortable with the current digital tools and applications that are an essential part of youth culture. Presenting pedagogical strategies as well as practical research and applications of digital media in various aspects of culture, society, and education, this publication is an ideal reference source for researchers, educators, graduate-level students, and media specialists.

Beyond Media Literacy Lars C. Grabbe, Andrew McLuhan, Tobias Held, 2023-07-26. The interplay of physical reality and media environments is getting enhanced by new technological innovations. We are living in the age of digital aesthetics, and there is a need for individual cultural or social forms and variations of media literacy. This book seeks the limits of media literacies and to go beyond them. *Beyond Media Literacy* contributes to the wide range of the media literacy discourse with approaches in modern media theory, philosophy, art, and film theory, computer graphics, as well as the complex range of modern aesthetics. This volume monitors and discusses the relation of media and literacy in the context of media as environments with effects on psyche and society.

Teaching for Equity, Justice, and Antiracism with Digital Literacy Practices Meghan E. Barnes, Rick Marlatt, 2024-05-30. To embrace today's culturally and linguistically diverse secondary English Language Arts (ELA) classrooms, this text presents ways in which teachers can use digital tools in the service of antiracist teaching and developing equity-oriented mindsets in teaching and learning. Addressing how the use of digital tools and literacy practices can be woven into current ELA curricula and with consistent sections, each chapter covers a different aspect of digital tool use, including multimodal texts, critical media literacies, connection building, and digital composing. Understanding that no classroom is a monolith, Barnes and Marlatt's timely text presents practical applications and resources suitable for different environments, including urban and rural contexts. The volume is essential reading in courses on ELA literacy methods and multicultural education.

The Routledge Handbook of Privacy and Social Media Sabine Trepte, Philipp Masur, 2023-06-27.
