[1984 & Animal Farm \(2In1\): The International Best-Selling Classics](#) George Orwell, Page 2, 2024-02-22 Bringing the Best of George Orwell's 1984 *Animal Farm* Together Nineteen Eighty Four A Novel often published as 1984 is a dystopian novel A startling and haunting novel 1984 creates an imaginary world that is completely convincing from start to finish No one can deny the novel's hold on the imaginations of whole generations or the power of its admonitions a power that seems to grow not lessen with the passage of time George Orwell's timeless and timely allegorical novel a scathing

satire on a downtrodden society's blind march towards totalitarianism. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, however, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. Today, it is devastatingly clear that wherever and whenever freedom is attacked under whatever banner, the cutting clarity and savage comedy of George Orwell's masterpiece have a meaning and message still ferociously fresh.

Everyday Creative Mykel Dixon, 2020-08-10 Uplend your personal status quo and reclaim your natural creativity in every single action you take. Everyone claims to value creativity, and businesses are clamouring for disruptive thinking and innovation. Yet we often feel creatively stifled at work because business processes seem to leave no room for real originality. In this climate, it takes a heroic effort to reclaim our status as independent thinkers, to bring meaning and joy to our work lives, and to make lasting changes that will bring value to everyone around us. In *Everyday Creative*, culture and creative leadership expert Mykel Dixon reveals what's holding us back from our full creative potential and explains how we can reclaim our original, vibrant selves. Is your ability to think differently hindered by an unconscious view that creativity doesn't belong in the boardroom? It's an all too common mistake, but the truth is, creativity is fundamental for business growth and personal fulfilment. If you want to survive in the digital era, you need to pursue your own creative sensibilities and foster creativity in your team. This book shows that original thinking can shake things up, becoming the source of our competitive advantage and a key driver of sustainable success. Recognise your own unconventional talent and creative potential. Transform yourself into a more vibrant and resilient human being, ready to lead the world in the fourth industrial revolution. Cultivate dynamic team environments where people feel safe to explore dangerous ideas. Instigate a high-level cultural and strategic pivot toward more creativity in your company. *Everyday Creative* is about creative leadership and the courage to seek, nurture, and liberate original thinking. Read this book to learn how to make the essential skill of creativity accessible to all people, regardless of role, title, or department.
