Ancient Art and its remains; or a Manual of the Archaeology of Art. Translated by J. Leitch Carl Otfried MUELLER,1850 Quality Management Practices R. P. Mohanty,2008 This book is the outcome of the efforts of many professionals working both in academia and industry who have contributed to the proceedings of the International Conference on Quality Management Practices for Organizational Excellence Organizational Excellence is a final product composed of two basic elements alloyed prudently by the members stakeholders of an organization These two basic elements are Strategy and Culture When we talk of quality management practices we have to pursue quality as a strategy and also quality as a culture Quality as strategy is a conscious and deliberate search for a plan of action that will develop an organization s distinctive competence and compound it Quality as culture is the amalgamation of behavior patterns of all the stakeholders in terms of beliefs values attitudes etc In other words quality management is the epicenter of the competitive

organizations of the future in which strategy is the scientific pursuits and culture is the artistic artifacts Numerous authors have put forth their logical thoughts have articulated their concepts and have validated their hypothesis relating to quality management The papers which have found place in this book aim at creating values of quality management practices ,
