Amazing Grace Violin Solo Advanced:

Note Reading for Violin Dr. Shinichi Suzuki, 1995-11-16 This book will make the Suzuki parent's task much easier as it will provide a reference when a parent does not know how to teach new pieces. The teacher's job will be easier too because it will no longer be necessary to explain to the parent the relationship between notes and violin fingerings. This book is well illustrated so that mothers and advanced children can easily understand by reading and looking at the pictures. Dr. Suzuki explains step by step from open strings to placing fingers, what happens to the fingers when there are sharps, flats, and naturals on the page. He explains rhythms and how to read the higher positions. When the child is young, a parent can point to the illustrations and explain easily. There are many nice pieces for reading practice towards the end of the book. *Amazing Grace (Trio)* Viktor Dick, 2018-12-19

Position Etudes (Revised) Dr. Shinichi Suzuki, 1995-11-16 These etudes must be used along with the Suzuki Violin School to learn and master different positions. Dr. Suzuki recommends that first position etudes be started when the student is working on Volume 2. The student should always be careful that fingers are placed before the bow moves. Dr. Suzuki repeatedly says: One fingers two bow three start. Since this is the first time the student plays an etude, the teacher needs to explain its purpose. **The New Music Connoisseur**, 2007
