Digital Business and Electronic Commerce Bernd W. Wirtz, 2024-06-04 This textbook introduces readers to digital business from a management standpoint It provides an overview of the foundations of digital business with basics activities and success factors and an analytical view on user behavior Dedicated chapters on mobile and social media present fundamental aspects discuss applications and address key success factors The Internet of Things IoT is subsequently

introduced in the context of big data cloud computing and connecting technologies with a focus on industry 4.0 and the industrial metaverse. In addition, areas such as smart business services, smart homes, and digital consumer applications, as well as artificial intelligence, quantum computing, and automation based on artificial intelligence, will be analysed. The book then turns to digital business models in the B2C business to consumer and B2B business to business sectors. Building on the business model concepts, the book addresses digital business strategy, discussing the strategic digital business environment and digital business value activity systems (dVASs) as well as strategy development in the context of digital business. Special chapters explore the implications of strategy for digital marketing and digital procurement. Lastly, the book discusses the fundamentals of digital business technologies and security and provides an outline of digital business implementation. A comprehensive case study on Google Alphabet explains Google's organizational history, its integrated business model, and its market environment, rounding out the book.

Cryptographic Solutions for Secure Online Banking and Commerce
Balasubramanian, Kannan, Mala, K., Rajakani, M., 2016-05-20
Technological advancements have led to many beneficial developments in the electronic world, especially in relation to online commerce. Unfortunately, these advancements have also created a prime hunting ground for hackers to obtain financially sensitive information, and deterring these breaches in security has been difficult. *Cryptographic Solutions for Secure Online Banking and Commerce* discusses the challenges of providing security for online applications and transactions. Highlighting research on digital signatures, public key infrastructure, encryption algorithms, and digital certificates, as well as other e-commerce protocols, this book is an essential reference source for financial planners, academicians, researchers, advanced level students, government officials, managers, and technology developers.

Amazon.com For Dummies Mara Friedman, 2003-01-16
If you've surfed the Web more than once, you've probably visited Amazon.com. Originally, you may have gone there searching for books, but Amazon.com is so much more than a bookstore. The author of *Amazon.com For Dummies*, who has been involved with the site from its beginnings, describes it as a shopping mall, home improvement store, bazaar, travel agency, newsstand, car lot, but most importantly, a community of buyers and sellers, people like you. Countless opportunities exist for those who join this community, and *Amazon.com For Dummies* gives you a smorgasbord sampling of what they are and how to take advantage of every one. For example, you can set up an account and buy things, bid on an auction, sell your items, personalize your shopping experience, open your own online store, join the Amazon.com community. Written by Mara Friedman, who has held several positions with Amazon.com, including marketing communications manager, *Amazon.com For Dummies* takes you from your first venture into the Amazon, all the way to making money from your Amazon.com experience. Discover how to find your way around the marketplace and scout out the best deals. Get local movie showtimes, view restaurant menus, chat with other shoppers, send free e-cards, or sign up for a free reminder service. Track orders and manage your account. Browse specialty shops and check out international merchandise. Take advantage of reviews from other shoppers. Set up and use wish lists for yourself and your

friends Create your own online Zshop set the right prices and take photos that help sell your items Take advantage of the Amazon com Advantage or become an Associate Whether you re a complete novice who d like a guide to help you with your first online purchases or a longtime Amazon com shopper who wants to become an online entrepreneur Amazon com For Dummies has what you need Use it today to get started and tomorrow to help you manage your own successful online business
