America Blasphemy Censorship Guide Sex Sin War:

Censorship of the American Theatre in the Twentieth Century John H. Houchin, 2003-06-26 John Houchin explores the impact of censorship in twentieth century American theatre He argues that theatrical censorship coincides with significant challenges to religious political and cultural traditions Along with the well known instance of the House Un American Activities Committee in the 1950s other almost equally influential events shaped the course of the American stage during the century The book is arranged in chronological order It provides a summary of censorship in eighteenth and nineteenth century America and then analyses key political and theatrical events between 1900 and 2000 These include a discussion of the 1913 riot after the Abbey Theatre touring production of *Playboy of the Western World* protests against Clifford Odets' *Waiting for Lefty* performed by militant workers during the Depression and reactions to the recent play *Angels in America*
