Notjohn's Guide to E-Book Formatting N.J. Notjohn, 2017-01-01 The self publisher's bible In this clear and entertaining ten step guide now in its eighth edition a prolific American author tells how he formats his books using free software for upload to online bookstores The secret he explains is to use the universal epub format to create a single e book file that will be accepted by every digital retailer from Amazon.com through Barnes more often it doesn't because these programs litter the file with hidden formatting The result can be a disaster Instead the word processing document should be converted to clean HTML the markup language used to create a web page All e books are web pages at heart and the Kindle and other e book readers are just special purpose web browsers The conversion from document to HTML file takes seconds It can then be plugged into a simple template that Notjohn includes in this Guide and also makes available on his blog for anyone to use He also supplies a style sheet to format the book for best appearance on the Kindle Fire tablet the various Kindle apps as well as on competing tablets and e book readers If all else fails there's Plan B a stripped down template for novels and for non fiction that consists mostly of text He concludes with a chapter on how best to present your e book on the Kindle platform with hints on encrypting the book copyrighting it and pricing it for the greatest return And new this year a chapter on adapting the e book to a print edition With illustrations and screenshots Revised and updated 2017 edition

The Role and Limitations of Technology in U.S. Counterinsurgency Warfare RICHARD W. RUBRIGHT, 2015-02-01 Although the United States plays a leading role in the development of technology particularly that used by militaries around the world the U.S. military nonetheless continues to find itself struggling against lower tech foes that conduct warfare on a different scale Emerging technology is indeed available and is regularly employed in American counterinsurgency efforts however since it is also constantly in flux strategies for its use must continually evolve to ensure that available resources are put to best use against disparate enemies Counterinsurgency operations are inherently political conflicts and in *The Role and Limitations of Technology in U.S. Counterinsurgency Warfare* Richard W. Rubright addresses the limits of constraints of technology in enhancing American

military capability Analyzing the confines and self imposed restrictions on the use of technology as well as current military doctrine he develops a new rubric for guiding the military in modern warfare Drawing on textual analysis personal interviews with international military professionals and firsthand experience on the ground in Iraq this book is the first to address the role of technology in counterinsurgency operations within operational tactical and strategic contexts *The Rough Guide to First-Time Around the World* Rough Guides,2016-02-01 Whether you re heading off on a gap year or taking a sabbatical the new full colour The Rough Guide to First Time Around the World will be indispensable when planning your trip From the big things entry requirements round the world tickets to the very smallest how many pairs of socks you ll need this guide has you covered Beyond the inspirational section on how to enrich your trip it includes maps regional profiles an FAQ section a directory and plenty of practical budget conscious tips The Rough Guide to First Time Around the World also contains a well researched selection of the best the internet has to offer independent travellers from using your phone abroad to the best services available through the new sharing economy plus information on staying safe on the road and how to pick volunteer programmes wisely Planning your first trip around the world can be daunting for even veteran travellers but the Rough Guides author leads you through the process with experience insight and humour showing you how to create your own journey not just how to tick off everything you re supposed to see *Left Behind in the Race to the Top* Julie A.

Gorlewski,Brad J. Porfilio,2013-08-01 Public education is suffering attacks that are well funded and extraordinarily complex and multifaceted These conditions make it difficult for educators and citizens to gather the information they need to mount meaningful resistance especially since mainstream media tends to be uncritically supportive of neoliberal reforms The Orwellian language of reforms is adopted and promoted through news outlets politicians and film thus arguments against these reforms must bubble up through social media and alternative outlets By providing a coherent comprehensive description of contemporary neoliberal initiatives and analyzing their effects on students teachers administrators and teacher education this book will allow educators parents students and citizens to strengthen their resolve to save public education and potentially work to preserve the promise of democracy This book examines and uncovers the effects of standardization and privatization on public education Contributors consider the how of standardized curriculum and assessment coupled with philanthropic and corporate pressure have influenced the experiences of students parents and teachers Divided in sections entitled Testing Testing Privatization and Militarization Redefining Schools Alienation Displacing Students and Teachers and Resistance Opting Out and Hope for Change this text offers a combination of information and inspiration for teachers teacher educators policymakers parents and anyone interested in understanding the current state of public education *The Rough Guide to Miami & South Florida* Mark Ellwood,2008-10 A guide to South Florida including Miami *Big Fish* Jonathan Hyde,2000-09-28 When Professor Michael Rayback parades past the American Embassy in Moscow along with thousands of Russians protesting the August 1991 coup against Mikhail S Gorbachev the American s thoughts are on Russia s future not

its past But the face of a loved one in the crowd drives Rayback back to a power struggle that has haunted him for seven years In 1984 with an infirm General Secretary on the verge of death or retirement contenders for power had begun to jockey for position One of the front runners known in Finnish State Police Archives as Big Fish could be eliminated by exposure of a page from his past A KGB colonel is sent to New York City to discover what Rayback knows about the identity of Big Fish based on his archival research in Helsinki The KGB colonel also plants the seed of American involvement in a plot to assassinate a member of the Soviet Politburo When the assassination takes place Moscow and Washington join hands to unravel three threads in the web of intrigue personal ambition self preservation and abrogation of a nearly completed treaty on anti satellite space weapons

The Art of State Persuasion Assistant Professor of Political Science Frances Yaping Wang, Frances Yaping Wang, 2024 In a seminar held in 2011 attended by the heads of the Chinese Communist Party's propaganda departments across various government levels Liu Yunshan a senior Chinese propaganda official underlined the necessity to strengthen mainstream public opinion and reach ideological consensus During the Sino Philippines arbitration case in 2016 People's Daily featured an article proclaiming the state's attitude and the public's stand are in unison providing the public opinion basis and conditions for China to deal with the dispute Remarks like these which highlight the significance of establishing a consensus between the public and the state and the aspiration for unity in their actions inspired the misalignment theory of this book
