First Steps Gyeorgos Ceres Hatonn,1995-09 Conversations in Early American History. 1492-1837 Mark Phillips,2008 If you ve ever found American history boring or difficult to understand this book is for you Conversations in American History is a dialogue between a curious student and a knowledgeable teacher Nothing escapes the students inquisitive mind If the signal was one if by land and two if by sea how could the Redcoats come by land if there is no land between England and America Were there really witches in Salem What does separation of church and state mean Topics covered in the book include among many others the discovery of America the French and Indian War the Revolutionary War the Age of Jefferson and the War of 1812 Historical personalities are also discussed such as George

Washington Benjamin Franklin John Adams and Andrew Jackson **Activebook for Out of Many** John Mack Faragher, Mari Jo Buhle, Professor of American Culture Mari Jo Buhle, Daniel Czitrom, Susan Armitage, 2001-09 BASIC APPROACH For introductory level American History Courses This pathbreaking text weaves together the complex interaction of social political and historical forces that have shaped the United States and from which the American people have evolved by telling stories of people and of the nation and emphasizing that American history has never been the preserve of any particular region Traditional turning points and watershed events are integrated with the stories of the nation s many diverse communities The activebook version is an interactive online digital book that completely integrates multimedia resources with the textbook to greatly enhance the student learning experience The activebook experience Uses the web for what it s good at An activebook takes full advantage of the online environment Each chapter of the activebook for Out of Many Third Edition contains an active poll active examples and exercises active maps audio examples audio exercises active concept checks moments in time as well as graphs tables and charts to provide an interactive learning experience Lets students learn the way they learn best An activebook engages students of all learning styles through online print audio and video resources The activebook experience is customizable by faculty and students Students can annotate their activebook and customize their view of the book s dynamic resources Gives you more for less Despite the increased amount of multimedia and interactive content activebooks cost less than traditional textbooks Even though the core text is retained in print the print component of an activebook is shorter than a traditional text All boxed material chapter summaries exercises and other content that can be made dynamic reside in the online component of the activebook *Thirty Years' View* Thomas Hart Benton, 1889 **Citizenship Made Simple** Barbara Brooks Kimmel, Alan M. Lubiner, 2003 Explains the basic rules and regulations for becoming a U S citizen identifying four ways to qualify for citizenship covering requirements the application process dual citizenship and related topics and providing information about U S government holidays and presidents Includes forms and addresses *Smashing the Liquor Machine* Mark Lawrence Schrad, 2021 When most people think of the prohibition era they think of speakeasies gin runners and backwoods fundamentalists railing about the ills of strong drink In other words in the popular imagination it is a peculiarly American event Yet as Mark Lawrence Schrad shows in *Smashing the Liquor Machine* the conventional scholarship on prohibition is extremely misleading for a simple reason American prohibition was just one piece of a global wave of prohibition laws that occurred around the same time Schrad s counterintuitive global history of prohibition looks at the anti alcohol movement around the globe through the experiences of pro temperance leaders like Thomas Masaryk founder of Czechoslovakia Vladimir Lenin Leo Tolstoy and anti colonial activists in India Schrad argues that temperance wasn t American exceptionalism at all but rather one of the most broad based and successful transnational social movements of the modern era In fact Schrad offers a fundamental re appraisal of this colorful era to reveal that temperance forces frequently aligned with progressivism social justice liberal self

determination democratic socialism labor rights women s rights and indigenous rights By placing the temperance movement in a deep global context he forces us to fundamentally rethink all that we think we know about the movement Rather than a motley collection of puritanical American evangelicals the global temperance movement advocated communal self protection against the corrupt and predatory liquor machine that had become exceedingly rich off the misery and addictions of the poor around the world from the slums of South Asia to central Europe to the Indian reservations of the American west Unlike many traditional dry histories *Smashing the Liquor Machine* gives voice to minority and subaltern figures who resisted the global liquor industry and further highlights that the impulses that led to the temperance movement were far more progressive and variegated than American readers have been led to believe
