Journal of the American Veterinary Medical Association American Veterinary Medical Association, 2014 Vols for 1915-49 and 1956 include the Proceedings of the annual meeting of the association **Historic Documents of 2013** CQ Press, 2014-07-09 For more than 40 years the Historic Documents series has made primary source research easy by presenting full primary documents and excerpts from documents on the important events of each year for the United States and the world Each volume includes approximately 70 events with well over 100 documents from the previous year from official or other influential reports and surveys to speeches from leaders and opinion makers to court cases legislation testimony and much more Historic Documents is renowned for the well written and informative background history and context it provides for each document Each volume begins with an insightful essay that sets the year's events in context and each document or group of documents is preceded by a comprehensive introduction that provides background information on the event Full source citations are provided Readers have easy access to material through a detailed thematic table of contents and a cumulative five year index that directs them to related material in earlier volumes **The Mega Deals of Warren Buffett** Glen Arnold, 2023-04-25 In THE MEGA DEALS OF WARREN BUFFETT we trace Warren Buffett's journey as he made Berkshire Hathaway the largest company in America In this enthralling account we follow Buffett's investment deals over the decade from 1989 to 1998 as Berkshire shares jumped 14 fold from 4 700 to 68 000 and its market cap grew from 5 billion to 100 billion This was a period of Buffett's career when he was approaching normal retirement age But far from slowing down he was just hitting his stride Buffett was as driven as ever to seek out great companies at good prices By studying the decision making that went into his investment deals and the successful and unsuccessful outcomes we can learn from Buffett and become better investors ourselves In this decade Buffett made investments in Wells Fargo USAir American Express The Shoe Group Helzberg Diamond Shops RC Willey FlightSafety International Dairy Queen NetJets and General Re For each of these deals investing expert and Buffett historian Glen Arnold dives into unprecedented detail to analyse the investment process and the stories of the individuals involved Arnold's engaging lucid style transports the reader to the time and place of the deals to truly appreciate how Buffett was operating *Mergent Municipal & Government Manual*, 2004 *The World Factbook*, 2016 **Mergent Public Utility & Transportation Manual**, 2003 **Conspiracies and Conspiracy Theories in American History** Christopher R. Fee, Jeffrey B. Webb, 2019-05-24 This up to date introduction to the complex world of conspiracies and conspiracy theories provides insight into why millions of people are so ready to believe the worst about our political legal religious and financial institutions Unsupported theories provide simple explanations for catastrophes that are otherwise difficult to understand from the U S Civil War to the Stock Market Crash of 1929 to the terrorist attacks on the World Trade Center in New York Ideas about shadowy networks that operate behind a cloak of secrecy including real organizations like the CIA and the Mafia and imagined ones like the Illuminati additionally provide a

way for people to criticize prevailing political and economic arrangements while for society's disadvantaged and forgotten groups conspiracy theories make their suffering and alienation comprehensible and provide a focal point for their economic or political frustrations. These volumes detail the highly controversial and influential phenomena of conspiracies and conspiracy theories in American society. Through interpretive essays and factual accounts of various people, organizations, and ideas, the reader will gain a much greater appreciation for a set of beliefs about political scheming, covert intelligence gathering, and criminal rings that has held its grip on the minds of millions of American citizens and encouraged them to believe that the conspiracies may run deeper and with a global reach.

Air Transport Economics Bijan Vasigh, Brian Pearce, 2024-01-26. *Air Transport Economics: From Theory to Applications* uniquely merges the institutional and technical aspects of the aviation industry with their theoretical economic underpinnings. Its integrative approach offers a fresh point of view that will find favor with many students of aviation. This fourth edition has undergone extensive updates throughout. It features new material addressing the impact of COVID-19 on the air transport industry and the efforts made by both the industry and governments to facilitate recovery. A new chapter examines the impact of air transport on climate change and how government policies to address this issue could reshape the industry. Additionally, alongside expanded coverage of revenue management and pricing decisions, this fourth edition incorporates case studies that give real-world examples to reflect current industry practices. Moreover, there is a discussion of the latest computer applications that enhance the effectiveness of the new techniques. This book offers a self-contained theory and applications-oriented text for individuals aspiring to enter the aviation industry as a practicing professional in the management area. It will be of the greatest relevance to undergraduate and graduate students aiming to acquire a comprehensive grasp of the economics of the aviation industry. The review questions at the end of each chapter have been expanded considerably, and an online assignment has been introduced for each chapter. This book will also appeal to many professionals who seek an accessible and practical explanation of the underlying economic forces that shape the industry.
