Bombing to Provoke Jaganath Sankaran,2024-10-08 The influence of aerospace

weapons on the battlefield is felt profoundly yet the mechanism of coercion by which these weapons alter the will of the adversary is poorly understood This book argues that it is not what these weapons physically do but how they weaponize fear and trigger a sense of defenselessness that matters for understanding their coercive effect For anyone seeking to understand why states at war in the age of aerospace weapon warfare operate and react in the ways that they do this book's methodical dissection of the strategic rationale behind these weapons makes it necessary reading

Lies My Teacher Told Me James W. Loewen, 2018-07-17 Every teacher every student of history every citizen should read this book It is both a refreshing antidote to what has passed for history in our educational system and a one volume education in itself Howard Zinn A new edition of the national bestseller and American Book Award winner with a new preface by the author Since its first publication in 1995 **Lies My Teacher Told Me** has become one of the most important and successful history books of our time Having sold nearly two million copies the book also won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti Racist Scholarship and was heralded on the front page of the New York Times For this new edition Loewen has added a new preface that shows how inadequate history courses in high school help produce adult Americans who think Donald Trump can solve their problems and calls out academic historians for abandoning the concept of truth in a misguided effort to be objective What started out as a survey of the twelve leading American history textbooks has ended up being what the San Francisco Chronicle calls an extremely convincing plea for truth in education In **Lies My Teacher Told Me** James W Loewen brings history alive in all its complexity and ambiguity Beginning with pre Columbian history and ranging over characters and events as diverse as Reconstruction Helen Keller the first Thanksgiving the My Lai massacre 9 11 and the Iraq War Loewen offers an eye opening critique of existing textbooks and a wonderful retelling of American history as it should and could be taught to American students
