- iii. (B) suspicious [1/2 Mark]
- iv. (B) face danger [1/2 Mark]

A2.

The astrologer thought that he had the blood of a man on his hands all those years after he fled from his home. This means that the guilt of having murdered a man was the load on the astrologer's mind. [2 Marks]

A3.

The astrologer had moved out from his native village to the city after attempting to kill a man, whom he had left for dead. He had to disguise his true identity to avoid being caught. Also, he had to make a living and begin a new life in the city after absconding from his village. For these reasons, the astrologer had to change his appearance and persona when he arrived in the city. [2 Marks]

A4.

The astrologer knew that the stranger was on lookout for the man who had attempted to kill him many years ago, so that he could seek revenge by killing the culprit in turn. Had the astrologer bared his true identity to the stranger, he would have instantly met with death at the latter's hands. This would have worsened the matters, since the astrologer had his wife and daughter to look after. Therefore, I think that the astrologer was right in hiding his own identity from the unsuspecting stranger. [2 Marks]
