

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space weapons and launch them?	That U.S. suspend the prohibition of launching nuclear weapons	Not really
2. Would anyone benefit from the launch and retrieval of satellites?	They would certainly gain access to information that was denied. They would be able to observe military and civilian activities directly via satellite	They might develop better a sense of international security based on U.S. knowledge that both sides feared nuclear damage, planned attacks and conduct of limited (Cuba) or unlimited wars
3. Would anyone challenge either side?	Not really	Others might be tempted to make new technological and other developments
4. Would the two nations agree to a joint launching activity?	They did agree to launch an exchange of information on satellite activity	They themselves probably were convinced they would not take a substantial loss from

2. Suppose the agreement simply to stop launching satellites was

the only agreement made between

the two nations. What would happen next?

Answer: Nothing. The governments did not intend to go further.

3. Suppose the agreement was that both sides had to discuss
