Alistair Sinclair, 2017-07-05 This book suggests that religion in its usual sense can be replaced by something better: that the human spirit or subjectivity can be the subject of scientific study and that lack of purpose or design in the universe is not a handicap but a positive opportunity for intelligent beings to make of the universe and its contents what they reasonably can. The book breaks new ground in suggesting a radical alternative to religion. It offers a scientific and humanist alternative to religion which appeals to people's critical faculties rather than emotions or intuitions. It also challenges current views of causation and the principle of sufficient reason by stressing the subjectivity of our reasoning powers and clarifying these in relation to an independent external reality. It develops and elaborates a notion of the noosphere within a theoretical system; this enables the notion to assume a scientific importance which it currently lacks because it is treated as an isolated, eccentric and rather mystical idea. What Lies Beneath Steven Cohen, 2019-08-06 Some say truth is relative; some say truth doesn't exist. However, there is something that holds all things secure, stronger than any support structure we could manufacture: more reliable than any knowledge we could gain, TRUTH. That standard can only come from one place, and it's not us, our experiences, or anyone else's opinion of who we are. *What Lies Beneath* is designed to help us explore what lies or lies exist beneath beliefs, emotions, and experiences, and how they affect us. Join speaker and teacher Steven Cohen on this transformational journey from lies to Love as we find *What Lies Beneath*. **Demolishing Supposed Bible Contradictions**

Ken Ham, 2010 A bold defense of the accuracy of Scripture. Ken Ham leads a powerful team of contributors in providing core truths to refute claims regarding biblical inaccuracies. *Winning Starts With You* Orlando Pompea, 2019-07-19 Every born-again Christian has the privilege to become a champion. Through his Son, God has given us victory over the world, flesh, and the devil. So you don't have to walk in defeat anymore. Although this is an unquestioning truth, we see something completely

different when looking at some of God's people today. We see failure after failure. One major cause of our failures is that we are being raised believing that we must be continuously indulged and pampered. We have learned to make excuses or point the finger at someone else. *Winning Starts with You* reveals to you how taking responsibility for your actions will drive you to the Top. By applying the principles taught in this book, your life will never be the same again. **God's Got an Answer for That Activity Book** Jon Nappa, Suzanne Hadley Gosselin, 2015. This fun-filled activity book is designed to reinforce positive lessons every Truth Sleuth needs to know about God and His Word. Homeschool families and kids ages 8 to 12 will enjoy word puzzles, mazes, and lots of other exciting games and activities. *The Lie* Ken Ham, 1987. Presents a Christian perspective on how the world was created, discussing the significance and relevance of the Bible book of Genesis and examining the nature of the debate between creation and evolution. **The Figure of Hagar in Ancient Judaism and Galatians** Ryan Heinsch, 2022-10-11. In this study, Ryan Heinsch considers Paul's portrayal of Hagar in Gal 4:21-31 and argues that Paul stands in continuity with ancient Judaism in that he portrays Hagar and her descendants as non-Jews. As a result, the author demonstrates that the passage in Galatians is an allegory Paul develops about the experience of gentiles in general and the once-pagan Galatian gentiles in particular. **In the World but Not of It** Brett Grainger, 2009-05-26. A memorable new literary voice traces the story of American fundamentalism through the transcendent lens of his own family experience. Brett Grainger's grandparents, members of the Plymouth Brethren, believed devoutly that Jesus would return and rapture them to Heaven when he didn't; their lives collapsed. Grainger's father, having fled from his parents' extremism, underwent his own conversion in later life. Grainger himself journeyed away from faith and yet two decades later found a different way back to the church, seeking a balance between extremes. Using those family pathways as a catalyst, he offers a beautifully written, clear-eyed chronicle of fundamentalism in American history, revealing it to be far richer and more complex than the images the word evokes today. Grainger explores seven major themes, including the devotion to biblical literalism, an idea nourished by the writings of nineteenth-century preacher John Nelson Darby; the experience of sudden personal transformation, known as getting saved; and the paradox of creation science. Above all, he illuminates the unrelenting pursuit of purity that divides believers into separatists who shun the sullied compromises of politics and activists who fight to bring society under the yoke of divine law, all in the name of being in the world but not of it. Writing with a passion and conviction born of personal experience, Brett Grainger brings new insight into American history and invaluable understanding for anyone interested in our country's religious tradition. *Evolution, Combating the Lies of Satan* Shirley White, 2013-04. Satan is on a rampage; he has inundated our world with a multiplicity of dangerous lies and is convincing men to feast on them while rejecting God's holy Word. However, even though Satan is concocting these lies, man is not an innocent party to this deception. Satan may be spreading lies, but man entertains them of his own volition and perpetuates them. Man is electing to reject God and the doctrinal teachings of the Bible; he prefers to indulge teachings that blatantly contradict Scripture. Man is Satan's

accomplice he is complicit and culpable because he disregards the Word of God and chooses lies over truth Average people have no clue they're being deceived by a clever and diabolical spirit Satan's deception and cleverness are so astute that he's convinced many to believe the lie that he doesn't exist However he does exist and the purpose of this book is to expose him his lies and his deceptions and to expose refute and combat the numerous deadly lies so prevalent in our world today that many have embraced Much in this book will be seen by many as controversial and politically incorrect but this book is factual and biblically sound it will equip you with knowledge and insights from the Word of God to prevent you from falling prey to Satan's deceptions God loves you Jesus died for you and it is my prayer that you carefully consider and investigate everything in this book and make the crucial decision to believe God and His Word versus Satan and his lies *The Disturbing Nature of Christianity* Lance E. Clippinger, 2016-10-20 The Disturbing Nature of Christianity challenges the reader to look at the central truths of Christianity with unflinching honesty Excerpts from The Disturbing Nature of Christianity The message of the Bible is clear The great majority of humanity including that humanity we personally know will be offended and reject the salvation offered by God the Father through His Son Do you find that truth disturbing If so you are experiencing a natural consequence of taking Jesus teaching seriously Jesus told us that if you are a Christian you are in a tiny minority And as we have seen in our study the true Christian is in a minority even in conservative evangelical churches In his classic book The Cost of Discipleship the world renowned theologian Dietrich Bonhoeffer explains Christ's teaching in the Sermon on the Mount The following is teaching I never heard from any pulpit or any Bible teacher in my 35 years as a Christian Concerning Matthew 7:13-14 A little band of men the followers of Christ are separated from the rest of the world The disciples are few in number and will always be few The saying of Jesus forestalls all exaggerated hopes of success Never let a disciple of Jesus pin his hopes on large numbers The only comfort the disciples have in face of this prospect is the promise of life and eternal fellowship with Jesus p 211 Concerning Matthew 10 The Messengers of Jesus will be hated to the end of time They will be blamed for all the divisions which rend cities and homes Jesus and his disciples will be condemned on all sides for undermining family life and for leading the nation astray they will be called crazy fanatics and disturbers of the peace p 239

Answers for the Honest Skeptic Ted Even, 2020-11-25 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ's radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of

heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing *Lying in Early Modern English Culture* Andrew Hadfield,2017 A major study of ideas of truth and falsehood in early modern England from the advent of the Reformation to the aftermath of the failed Gunpowder Plot

Summary of John Mark Comer's Live No Lies Everest Media,2022-06-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The fight against demonic temptation is a fight to take back control of our minds from their captivity to lies and liberate them with the truth This idea can be found in the teachings of Jesus who said that if you hold to his teaching you are really his disciples and will know the truth which will set you free 2 There is a devil and he is the most powerful and influential creature on earth Jesus called him the prince of this world He was created by God and his original role was the spiritual formation of human beings through testing But he began to drift from his charter and used his skill set to tempt human beings into spiritual deformation 3 For Jesus the devil is not a myth He is an immaterial but real intelligence at work in the world with more power or influence than any other creature in the universe after God 4 The idea that we re getting smarter not just in some things but in everything is a lie By this logic people who believe in ancient ideas like the devil or Jesus are looked at with contempt and treated with the same intellectual incredulity as those who believe in trolls

Lies, Sex and Politicians John Holdsworth,2010 Many Christians write off the Old Testament as an outdated rule book which has little to say to them and has been superseded by the New Testament and the Christian tradition *Lies Sex and Politicians* is for those thinking Christians who want to recapture the Old Testament from those who in wanting to promote it in a particular way e g in the homosexuality debate have closed it off to the majority John Holdsworth offers a way into the Old Testament through linking some of the themes found in this very diverse collection of texts with themes found in contemporary culture This in turn enables readers to engage with the Old Testament as a resource for doing Christian theology and ethics today Each chapter concentrates on a text based theme This leads to exegetical input and discussion of the wider theme in the light of contemporary scholarship The text is then approached from the direction of some element of contemporary culture or concern A final suggested exercise aims to bring these elements together in a creative and interesting way

Asteroid Answers to Ancient Calendar Mysteries Herbert B. Stollorz,2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity
