Rowan Rossler

Fan Favorite Self Help:

The Music Industry Self Help Guide 2nd edition Michael Repel, 2015-10-06 I originally wrote *The Music Industry Self Help Guide* because it seems that regardless of genre or region every musician goes through identical stages of development and needs access to the same tools and information to get ahead in this industry. Over the last three decades I have continued to see a reoccurring disparity with different musicians that don't know where to look and don't know what to look for which keeps them isolated with no real hope of success. I've encountered this not only in local developing music scenes but also while formally mentoring aspiring artists at music conferences across the country. In writing the original manuscript my experience and accumulated knowledge base placed me in a unique position to provide you with information from the point of view of an artist, a manager, and also from that of a record label. It was important in the creation of this book that all of these perspectives were taken into consideration as they vary so greatly in how they interpret what is actually required to succeed in today's market. I also would like to stress the fact that the views in this book are not merely comprised of one person's observations of the music industry but includes tried and true methods of success that have been implemented by bands that have maintained relevance for more than three decades. This resulted in a well rounded all encompassing guide to creating momentum and visibility for emerging artists that covered all of the developmental elements that they would need to lay a solid foundation for themselves in the independent market. Although multiple books and publications have been written on some of the various subjects contained herein that have a cold encyclopedic reference style of providing information what I did in writing *The Music Industry Self Help Guide* was approach as many of these topics as possible link them all together and present them on more of a personal and direct level. What resulted was a brutally honest and thought provoking guidebook written in a conversational manner that can give your career a serious head start and help you move forward if you choose to implement its information. The first edition provided a very solid framework for this expanded edition which has additional chapters, resources lists, and a step by step guide on how to fill out an online copyright form. This entire book was also retooled from the 1st Edition to provide quick and easy reference points for easy navigation. What you now have in your hands is a book that was designed with your success in mind and has been refined into a better product for your added benefit. Although this book encompasses the entire spectrum of the music industry from the earliest stages of a developing artist's career to the corporate wranglings of the music industry giants I chose to focus primarily on the independent market because this is the place that you must pass through while earning your stripes and paying your dues in this industry. As the title implies this is a self help guide so what this book also does to prepare you for success is look at one of the largest hurdles that aspiring musicians face as they try to move forward in their career themselves. No other key component in this book will surpass the importance of one's ability to master oneself and this book will callously press you to take an unflinching look inside yourself to understand who you really are and attempt to identify what is holding you back. How far

you get beyond the independent market will not only rely on the quality of the music you release but will also hinge largely on how you utilize the things that you read in this book Approx 400 pages 34 chapters 50 color photos and several resources

The Cruiser Rowan Rossler,2022-03-07 In this sexy modern day romance Rowan Rossler delivers heat and heart when a superstar PR executive and Monaco s most notorious bachelor brave the choppy waters of desire When Morgan de Rohan Chabot saunters into my life I know he s trouble with a capital T Infamous for more than legendary yacht designs his reputation for leaving a trail of broken hearts in his wake has finally caught up to him He needs my help the magic touch of a PR superstar to overhaul his tarnished image A lucrative contract with a Saudi Prince is up for grabs and Morgan insists I join him on the glittering shores of the Riviera to help him secure it Ten days All expenses paid The only catch I m second guessing everything My idyllic life has just blown up but I could use the distraction Morgan is the perfect escape Except this gorgeous rogue has burned more than a few bridges in Monaco And when our sizzling chemistry catches serious fire the boatload of drama becomes anything but smooth sailing Full length billionaire romance sizzling with jet set glamour witty banter and spice Pack your bags Book one of the Hustlers Series is a heartfelt happily ever after that will give you all the feels
