Self Help Manual:

A Guide to Treatments that Work Peter E. Nathan, Jack M. Gorman, 2007-03-15 Much about this third edition of *A Guide to Treatments That Work* remains as it was in the first and second editions Like its predecessors this edition offers detailed evaluative reviews of current research on empirically supported treatments written in most instances by clinical psychologists and psychiatrists who are major contributors to that literature Similarly the standards by which the authors were asked to evaluate the methodological rigor of the research on treatments have also remained the same As before they provide information on the quality of the research on treatment efficacy and effectiveness that is reviewed

A Pragmatic Guide to Low Intensity Psychological Therapy Elizabeth Ruth, James Spiers, 2023-05-17 With the rapidly growing demand for mental health care there is a need for efficient and effective psychological treatment options Low Intensity Psychological Therapy has become well established in the England Improving Access to Psychological Therapies IAPT programme as a beneficial and versatile treatment option for mild moderate symptoms of depression and anxiety *A Pragmatic Guide to Low Intensity Psychological Therapy* Care in High Volume provides a guide to Low Intensity Psychological Therapy from the perspective of the Low Intensity Practitioner This book describes the Low Intensity role as part of a multi disciplinary approach to psychological care The authors use a series of case vignettes personal experience and current literature to help navigate the context of the role and its potential for ethical and safe expansion Offers a practitioner perspective on the efficacy research of Low Intensity psychological interventions in adult populations with a focus on working with diversity Aims to support Low Intensity Practitioners in developing competency within the role with a focus on reflective practice supervision and personal wellbeing Includes case vignettes and examples to explore the real world implementation of Low Intensity interventions in group and individual settings including the management of long term physical health conditions Explores the benefits and pitfalls of the current role of the Low Intensity psychological practitioner within the IAPT programme Discusses the expansion of the Low Intensity psychological practice to international regions

Manual of Psychosocial Rehabilitation Robert King, Chris Lloyd, Tom Meehan, Frank Deane, David Kavanagh, 2012-08-06 Psychosocial Rehabilitation is a comprehensive ready reference for mental health practitioners and students providing practical advice on the full range of interventions for psychosocial rehabilitation It contextualises the interventions described and provides pointers to enable the reader to explore the theory and research This manual recognises the wide ranging impact of mental illness and its ramifications on daily life and promotes a recovery model of psychosocial rehabilitation and aims to empower clinicians to engage their clients in tailored rehabilitation plans The book is divided into five key sections Section 1 looks at assessment covering tools available in the public domain instruments scoring systems norms and applications for diagnosis and measurement of symptoms cognitive functioning impairment and recovery Section 2 covers the full range of therapeutic interventions and offers advice on training and supervision requirements and evaluation of process impact and outcome

Section 3 provides manuals and programs for interventions effectively provided as group activities Section 4 explains how to design a full programme that integrates therapeutic interventions with group programmes as well as services provided by other agencies The final section looks at peer support and self help providing manuals and resources that support programmes and interventions not requiring professional or practitioner direction

The Clinical Treatment of the Criminal Offender in Outpatient Mental Health Settings Nathaniel J. Pallone, Sol Chaneles, 1990 This volume brings together in a single source a set of perspectives by leaders in the clinical treatment of criminal offenders in outpatient settings particularly those whose crimes have involved domestic violence and or substance abuse More than a set of how to techniques it addresses the question of which offenders can successfully be treated in what settings by which techniques It is a valuable resource not only for those concerned with prisons probation and parole but also for those responsible for the delivery of mental health services in the community
