Tiger by the Tail Leland W. Howe, 2011-06 Are you struggling with the effects in your life of past trauma Are your relationships plagued by conflict and emotional reactivity Do you hear a voice in your head that constantly judges and criticizes you Do you suffer from chronic or periodic depression anxiety or stress It s time to grab your inner tiger by the tail It s time to heal the frozen trauma within you and live the life you want and deserve In this book Dr Leland W Howe explores the latest research into the emotional brain alarm and the connection between energetic body movement and healing from past trauma trauma that many of us experienced in our past though we may not be aware of it Using fascinating case studies Dr Howe introduces an approach to healing and wholeness that can change your life **Surviving Trauma: Healing the Child Within** Christina Hoffert, 2023-10-24 In *Surviving Trauma Healing the Child Within* the author takes readers on a deeply personal and courageous journey of self discovery and recovery The book opens with a raw and honest reflection on the hesitations and self doubt that often accompany the idea of sharing one s experiences of trauma mental health struggles and personal growth The author grapples with questions like Am I cured enough to tell people I have survived the traumas of my past and Will people label me a hypocrite or a phony The narrative unfolds as the author embarks on a profound exploration of their own struggles with PTSD major depression addiction eating disorders anxiety homelessness incarceration domestic violence and more These experiences have been learned the hard way through pain and suffering The author dispels the myth that there is a magic solution to life s problems and shares the realization that they will never be perfect nor will life be without challenges The heart of this book lies in the belief that one s experiences and the lessons learned from them can be valuable to those who are currently battling their own demons The author discovers that their own journey while filled with pain and darkness can serve as a beacon of hope for others who have endured trauma and its aftermath Throughout the narrative the author provides insights and guidance for those who are struggling offering tools for healing and personal growth One of the central suggestions the author offers is journaling They emphasize its importance for several reasons Firstly it allows individuals to release overwhelming emotions and thoughts without concern for grammar or coherence Journaling serves as a safe space to express the myriad feelings and fears that may be consuming one s mind Additionally it provides a means of processing these emotions When revisiting journal entries later individuals can identify irrational thoughts and replace them with a more accurate perspective The act of journaling also serves as a way to track personal progress over time Readers are encouraged to go back and review earlier entries allowing them to see how their thinking has evolved and improved By doing this the author demonstrates how their own journals from previous years were much more negative and self defeating illustrating the power of self reflection and growth Lastly journaling can reveal patterns and triggers that may not have been consciously recognized The author shares a personal example of discovering that anxiety attacks correlated with the week before their menstrual cycle Such revelations can help readers better understand the factors that contribute to their emotional well being Each chapter concludes with a healing journaling

exercise providing readers with practical tools to aid in their own healing journey The author strongly encourages journaling as a daily practice or as a resource to turn to during moments of overwhelming depression or anxiety Through heartfelt and candid storytelling this book offers hope and inspiration to those grappling with trauma and mental health challenges reminding them that they are not alone in their struggles and that healing is possible **Trauma Healing** Lila

Santoro, AI, 2025-03-14 Trauma Healing offers a comprehensive guide to understanding and overcoming emotional trauma emphasizing that recovery is attainable through knowledge therapy and self care The book explores the neurobiology of trauma revealing how traumatic experiences can alter brain function and nervous system responses Intriguingly it synthesizes evidence based therapeutic techniques such as Cognitive Processing Therapy CPT and Eye Movement Desensitization and Reprocessing EMDR as tangible tools for healing The book progresses through stages starting with foundational concepts of trauma and its impact then delving into specific therapies and methods for self compassion and mindfulness It uniquely advocates for an integrative approach combining cognitive and somatic strategies to address the interconnectedness of mind body and spirit in trauma recovery Ultimately readers will gain practical strategies for rebuilding relationships finding meaning and creating a fulfilling life post trauma fostering resilience and mental strength **TRAUMA**
